Website: www.adityapharmacy.edu.in

4.2.1 Library is automated using Integrated Library Management System (ILMS) Response:

- Library is automated by using e-CAP, an integrated library management system. It has the facilities for Issue, return of books and maintaining record of books by using OPAC (Online Public Access Catalogue) which is used by students & faculty for search of books by title/ author name etc.
- Digital Library is also available with facilities such as subscription, e-journals, e-books. E-Library resources, various journals are provided for access and helps in upgrading the research knowledge of the staff and students.
- Library is supported by more 7276 textbooks, reference books, national international journals, and other readable articles in printed form. Library has a seating capacity for 70 students at a time. Computer terminals with latest software and free internet facility are available for student and staff use.
- It is also equipped with Wi-Fi for internet access on personal notebooks/laptops. Library is equipped with printing and photocopying facility for the convenience of the students.
- National and international printed or online journals are made available for the students.
- Library management software designed and developed by the Information Carries Network Centre (INFLIBNET).
- It is user-friendly software developed to work under client-server environment. It provides default template for data entry of various types of documents. It also supports the process of stock verification.
- Maintenance supports provided in case of binding, loss, replacement, missing, withdrawal of books etc. Issue, return was based on transaction.
- In case of barcode based computerized circulation, accession numbers of books are converted into barcode and printouts of barcodes are pasted at different places on the books. e-CAP, Software used to maintain, the students and staff entry register with the help of barcode present on identity card of students and staff respectively for authorized access of books.
