Aditya Pharmacy College in association with Palimeru Yoga Centre organized a session on “**Yoga for Humanity**” on **21/06/2022** on account of International Yoga Day. The program was led by Mr.Masimukkala Shiva Rama Krishna, Yoga Guru. 20 students from I Pharma D have participated in the session.

The session started with an introduction note about the chief guest by Dr.Ch.S.Phani Kumar followed by lamp lighting by Dr.D.Sathis Kumar, Principal and a prayer song. The session emphasized that Yoga is universal — it can be practiced anywhere, at any time, and by anyone irrespective of age, gender, culture or nationality. Yoga is a powerful tool for individuals, communities and countries to improve both mental and physical health. Yoga has been shown to have immediate psychological benefits, decreasing anxiety and stress, and increasing feelings of emotional and social well-being. It helps prevent and control non communicable diseases (NCDs) — cardiovascular diseases, cancer, chronic respiratory diseases and diabetes, among others — that are a rising cause of disability and premature death.

The session motivated the students to be fit and healthy. Dr.D.Sathis Kumar, Principal of the college appreciated and thanked Mr.Masimukkala Shiva Rama Krishna, for conducting such an enthusiastic session.

Aditya Pharmacy college in association with Medicover Hospitals, Kakinada has conducted a life skills session on "CPR- Learn how to save Life" on 05-01-2023 at 12:00 pm. Dr. Ram Murthy, duty doctor from Medicover Hospitals, Kakinada had conducted the session. I B.Pharm and I Pharma D students have attended the session.

Dr. Ram Murthy explained that performing CPR on a person whose heart has stopped beating during these vital few minutes can help to keep blood and oxygen flowing through the body to vital organs, including the brain. This can help to keep the person alive until emergency medical help arrives at the scene.

He trained the students to perform CPR on mannequins. And monitored the learning of every student. He also quoted few cases out of his personal experience and few shared stories where CPR helped in saving lives of people in work place and public places.

116 students from I B.Pharm and I Pharma D have attend the session. Dr.D.Sathis Kumar, Principal of APC thanked Dr. Ram Murthy for sharing his expertise.

Dr. Ram Murthy, duty doctor from Medicover Hospitals, Kakinada had conducted the session. II, III and IV Pharma D students have attended the session.

Proper first aid always comes across as a big respite when handling different health and medical emergencies. Besides saving the injured person's life, it helps make the recovery process faster, saves huge healthcare costs, and prevents the likelihood of injury from getting worse.

He explained the golden rules of First Aid

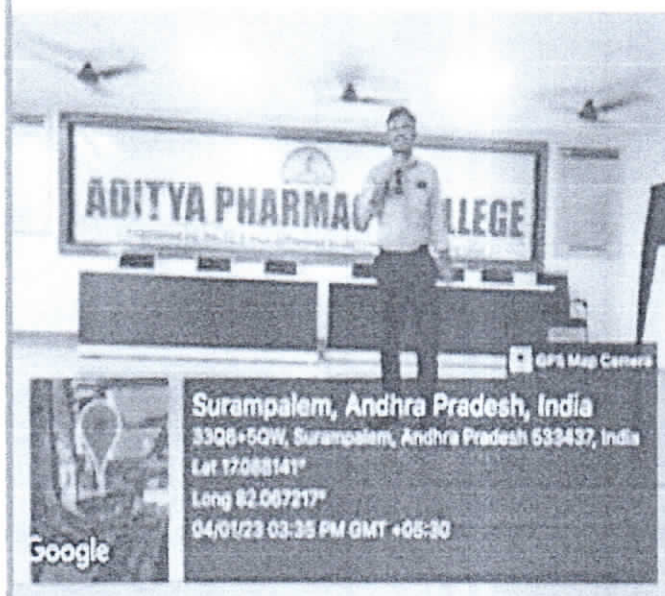

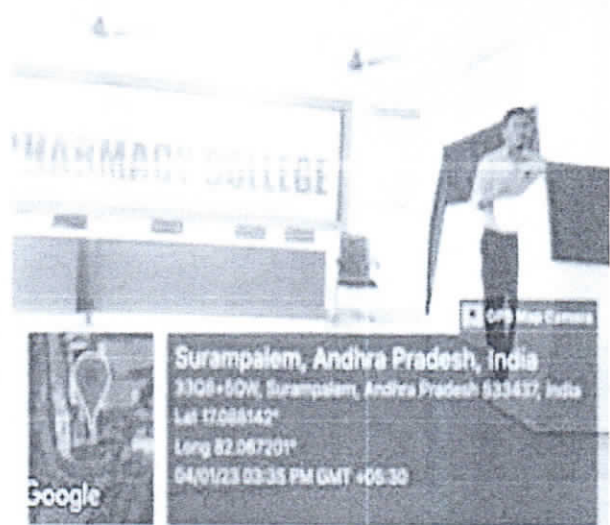

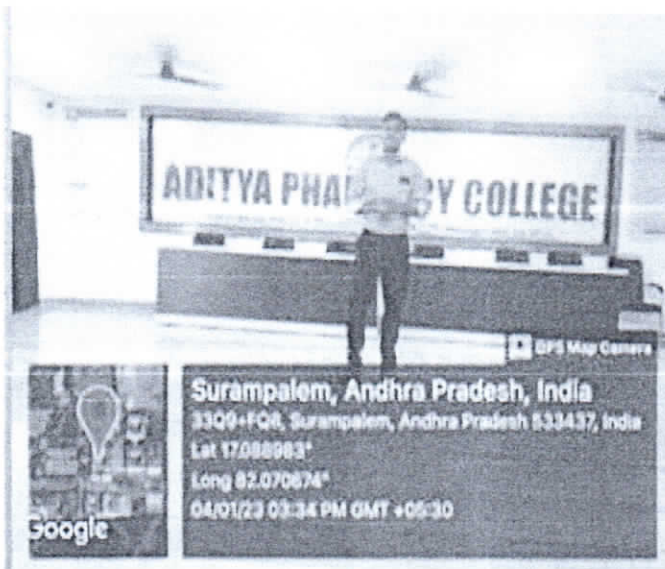

- Do first things first, quickly-quietly without fuss or panic.
- Reassure the casualty through encouraging words.
- Check ABC Rule. (Airway, breathing, Circulation)
- Open the airway by tilting the head.
- Give artificial respiration if breathing has stopped.
- Perform chest compression if the pulse is not present
- Stop bleeding if any by direct pressure.
- Treat for shock.
- Do not allow people to crowd around.
- Don't remove clothes unnecessarily.
- Arrange for transportation of the casualty.
- Casualty should be sent to a hospital or doctor by quickest means of transport. Always inform police about serious accidents and the relatives.

69 students from II, III and IV Pharma D have attended the session. Dr.D.Sathis Kumar, Principal of APC thanked Dr. Ram Murthy for sharing his expertise.
