To  
The Registrar,  
JNTUK Kakinada,  
Kakinada.

Respected Madam,

Sub: letter of request seeking appointment as BOS Member- Reg.

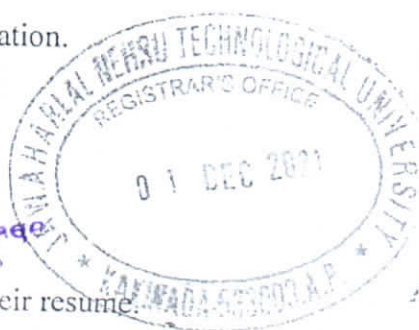

We are pleased to state that Aditya Pharmacy College (3G) was established in 2004 with the aim of providing high quality education training and research in pharmacy to meet the needs of students, Pharmacists, Pharmaceutical organisations and health care Professionals. Our institution is temporarily affiliated with JNTUK University, and it is also approved by Pharmacy Council of India (PCI) and All India Council for Technical Education (AICTE). It is an ISO 9001:2015 certified institution. We are pleased to state that we have a sufficient number of doctorates (Ph.D) from reputed institutes and Universities.

Keeping in consent all these accolades, we humbly request you to select at least one person from our Institution and appoint him/her as a BOS member of the University. This initiative of the University will enable us to grow in many fields, such as Curriculum delivery, Certificate courses, and add-on courses, while strictly adhering to the University curriculum. This will give us an edge over the NAAC and NBA accreditation process as we are in the process of submitting our application. We have included a list of qualified faculty members along with their resume for your perusal and kind consideration and looking forward to hear a positive response from you.

I must be thankful for your consideration.
