3.4.1 Extension activities are carried out in neighbourhood community sensitizing students to social issues for their holistic development and impact thereof during the last five years

Aditya Pharmacy College – NSS UNIT with the registered number 90214424 promotes regular encouragement of the faculty and the students in association with neighborhood communities for their development. Aditya Pharmacy College actively organizes various *extension activities to foster a strong institute-neighborhood relationship and sensitize students to community needs.* These initiatives encourage students to participate in social service activities, contributing to their holistic development. The college collaborates effectively with the National Service Scheme (NSS) unit of JNTU-Kakinada, facilitating numerous outreach programs in nearby communities.

The curriculum of the institute provides continuous exposure to training in clinical practice & community social service in which students enhance their social activities in public health sector in Rural and urban communities.

Through the NSS unit, the college conducts one-day camps in adopted villages where volunteers address critical social issues. Activities include cleanliness drives, tree plantations, environmental awareness programs, household surveys, free medicine distribution, women's health awareness, dental camps, blood donation drives, health check-ups.

Beyond NSS initiatives, various departments in the college play an integral role in shaping students into responsible citizens. They raise awareness on key social issues through programs on environmental conservation, personal health and hygiene, plastic eradication & systemic voter's education participation (SVEEP) etc. to make the public aware of social responsibilities.

These activities have a significant positive impact on students by strengthening their community engagement, leadership skills, and self-confidence. They also help uncover students' hidden potential while fostering social awareness and responsibility.
