REPORT

Title: Distribution of "Eco friendly Lord Ganesh idols" on the occasion of "Ganesh Chaurthi".

Date: 16/09/2023 **No. of Participants:** 30 **collaborating agency:** NSS unit JNTUK

Objective: The objective of distributing clay Ganesh idols on 09-09-2021 at Prathuru was to promote eco-friendly practices during Ganesh Chaturthi and raise awareness about the environmental benefits of using clay idols over those made from non-biodegradable materials.

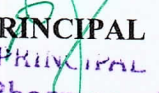

Description: On 16/09/2023, Team Aditya Pharmacy College NSS Unit participated in the Distribution of Clay Ganesh Idols program, with all necessary arrangements made the previous day by Dr.D.Satis Kumar along with the NSS Student Advisory team. Emphasizing a return to eco-friendly practices, APC-NSS distributed over 72 chemical-free, eco-friendly Ganesh idols to students, Ayas & Bus drivers. These clay idols, which dissolve easily in water, offer a sustainable alternative to plaster of Paris and plastic idols. The event also educated students about NSS organization and the process of making clay Ganesh idols, fostering environmental awareness.

Outcome: The event successfully distributed over 72 eco-friendly Ganesh idols to students, Ayas & Bus drivers in surampalem promoting sustainable practices. Students also gained hands-on experience in making clay idols and learned about the importance of environmental conservation.

Title of the Event: Blood Donation Camp

Date: 15/02/2023

Participants: 45 **Collaborating agency:** Government General Hospital, Rajahmundry

Aditya Pharmacy College organized a blood donation camp on at Surampalem village. The primary objective of this event was to contribute to the noble cause of saving lives by encouraging voluntary blood donation among students & staff. The NSS unit was responsible for planning and executing various aspects of the blood donation camp. During this camp volunteers were guided through the registration process where their details were recorded and basic medical screenings were conducted to ensure eligibility for donation. Donors who met the eligibility criteria proceeded to the donation area where they underwent the blood donation process under the supervision of trained medical staff. Donors were provided with refreshments and advised to rest for a brief period to recover. Each donor received a certificate of appreciation as a token of gratitude for their contribution towards saving lives. The success of the blood donation camp would not have been possible without the collective efforts of the organizing committee, volunteers, medical professionals, and donors total 150 packets of blood is collected. Total expenditure for this activity is 6000 Rs.
