Subject: Request for Industrial Visit of Students to AMTZ

Dear Sir/Madam,

I am writing on behalf of Aditya Pharmacy College to request permission for an industrial visit to Andhra Pradesh MedTech Zone (AMTZ) for our students. Our institution is dedicated to providing our students with practical exposure to complement their academic learning.

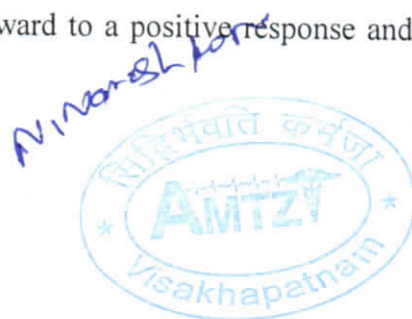

We believe that visiting AMTZ will provide our students with invaluable insights into the medical technology industry, including the various aspects of research, development, and manufacturing processes. This visit will significantly enhance their understanding and inspire them to pursue careers in this field.

Details of the Proposed Visit:

- **Date of Visit:** 14-08-2024
- **Number of Students:** 83
- **Number of Faculty Accompanying:** Dr.T.Uday Kumar and Mrs. V.Prashanna Sai Sree
- **Purpose of Visit:** To gain an understanding of the medical technology industry and observe real-world applications of their academic studies.

We kindly request your permission to facilitate this educational visit and also request a brief introduction session from your experts to provide an overview of your operations and answer any queries our students might have.

Thank you for considering our request. We look forward to a positive response and the opportunity to provide our students with this enriching experience.

Yours sincerely,

Dr.D.SathisKumar,

INDUSTRIAL VISIT REPORT

Activity Report: Industrial Visit to AMTZ.

Date: 02 September

Participants: 4th B.Pharmacy students

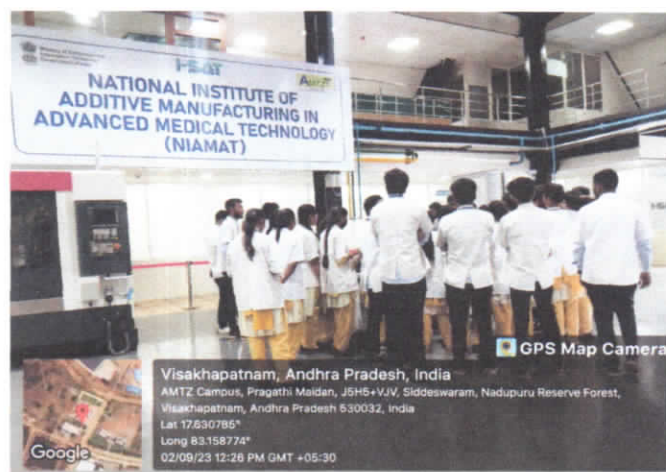

On September 2nd, 2023, a group of 59 4th B.Pharmacy students from Aditya Pharmacy College had an absolutely amazing industrial visit to AMTZ in Visakhapatnam. Our faculty members, Miss B.Sujiya mam and Dr.CH.S.Phani Kumar sir, were there to support and guide the students throughout the visit. The purpose was to provide practical exposure to the pharmaceutical industry. The students got to explore all kinds of cool instruments and see how things work in the pharmaceutical industry.

The visit provided a valuable opportunity for students to gain practical insights into the pharmaceutical industry. During the visit, the students were able to witness the various stages of pharmaceutical production, from research and development to manufacturing and quality control. They were exposed to state-of-the-art facilities and equipment, allowing them to understand the intricacies of drug formulation and production processes.

The students were enthusiastic and engaged during the visit, actively asking questions and interacting with industry professionals. They learned about the importance of quality control, regulatory compliance, and the ethical considerations involved in pharmaceutical manufacturing. The visit also provided them with a glimpse into potential career paths within the pharmaceutical industry. Overall, the pharmaceutical industrial visit was a valuable learning experience for both the students and me as a caretaker. It allowed the students to bridge the gap between theoretical knowledge and real-world application, fostering a deeper understanding of the pharmaceutical industry.

Dear sir,

Thank you for accepting our request for industrial visit for our students on August 19th, 2023. Your support will make a good impact for our students (between 80-90 numbers) to know the industrial environment. We are highly obliged. Herewith, I am sending the contact persons who will visit on August 19th, 2023.

Dr. Phani Kumar, 7729995764.

Miss. Sujiya 8332942678

Kindly find the same.

Thanking you

**A REPORT ON FREE MEGA MEDICAL CAMP AT SARPAVARAM
CONDUCTED BY ADITYA PHARMACY COLLEGE IN
COLLOBARATION WITH TRUST MULTISPECIALITY HOSPITAL,
KAKINADA**

The students of Aditya Pharmacy College, Surampalem in hands with Trust Multispeciality Hospital, Kakinada, organized a one-day Free Mega Medical camp for the benefit of public near Ambedkar Park, Jayanthi Nagar, Sarpavaram, Kakinada on 8th of August 2023 (Tuesday). The Organizing Team of Aditya Pharmacy College, 5th year PharmaD intern students and the Medical team included Dr. B. Vijaya Durga Devi (Obstetrics and Gynecology), Dr. Sureswar and Dr. Karthik (General Physician) and Pharmacy Staff from Trust Multispeciality Hospital, Kakinada.

The teams arrived at the area at 10 am, and the camp was officially opened by Rev. K. David Livingstone, the head of a nearby church, who also gave shawls to the medical professionals. 100 people in total attended the camp and benefited as a result of the extensive exposure provided by students of 5th PharmaD. Many camp attendees found the free BMI screenings, blood sugar tests, blood pressure checks, and ECGs that the medical team set up to be of great use. Several persons had 2D-ECHO Tests since the medical team determined that they were required for a particular group. Nearly 96 participants had general health examinations, and 4 of them benefited from the 2D-ECHO Testing. All individuals were tested for hypertension, and those who were known hypertensives received follow-up care. The doctors recommended patients to Trust Multispeciality Hospital, Kakinada, for additional treatment when the patients findings had changed and they had not adhered to the previous course of treatment well. At four o'clock in the evening, the camp was summoned to the close. The 5th year PharmaD intern student's commitment to helping others and guidance in finding those in need played a crucial part in the success of this camp. The Free Mega Medical Camp, which was put on by the Trust Multispeciality Hospital in collaboration with the Aditya Pharmacy College, was a major success and very beneficial to everyone who participated in the program. It furthered the message of self-care and a healthy lifestyle, which we frequently tend to overlook.

Dear Sir,

We Aditya Pharmacy College extend our warm greetings to you and express our sincere gratitude for your ongoing support. Our students are highly motivated and dedicated to learning and exploring opportunities for their careers. According to the university curriculum, students are required to visit a pharmaceutical industry during their study.

We kindly request permission for our students to visit your company on April 10 and 12, 2024, to gain insight into manufacturing practices and quality control processes.

We would greatly appreciate your consideration of our request.

Thank you.

Seldom Pharma <seldompharma@gmail.com>

INDUSTRIAL VISIT REPORT

Activity Report: Industrial Visit to Seldom Pharma, located in Yanam, East Godavari.

Date: April 10th, 2024

Participants: 3rd B. Pharmacy & M. Pharmacy students

On April 10th, 2024, the third year B. Pharmacy and first-year M. Pharmacy students of Aditya Pharmacy College embarked on an enriching industrial visit to Seldom Pharma, located in Yanam, East Godavari. The visit provided students with a valuable opportunity to gain first-hand experience in the pharmaceutical industry. Upon arrival, the students were warmly welcomed by the Seldom Pharma team, who conducted a comprehensive tour of the manufacturing facilities. The students explored various departments, including formulation, quality control, production, and packaging. They witnessed state-of-the-art equipment and processes in action, gaining insights into the intricate details of pharmaceutical manufacturing.

The company's staff provided expert guidance and answered the students' questions with enthusiasm. They explained the importance of Good Manufacturing Practices (GMP) and the stringent quality control measures implemented to ensure product safety and efficacy. The students were particularly impressed by the company's commitment to innovation and research and development. Overall, the industrial visit to Seldom Pharma was a resounding success. The students gained valuable knowledge, practical experience, and a deeper understanding of the pharmaceutical industry. The company's staff played a crucial role in making the visit informative and engaging. This experience will undoubtedly benefit the students in their future careers.
