Email: drjaganathrao23@gmail.com

Aditya Pharmacy college in association with Dr. Jaganath Rao's Skills & Will development LLP, Bangalore has conducted a communication skills session on "Express yourself: Developing Dynamic Communication skills" on 15/09/2023 from 10:00 am . Dr. Jaganath Rao, Motivational speaker had conducted the session. II B.Pharm & II Pharma D students have attended the session.

"Express Yourself: Cultivating Dynamic Communication Abilities" was meticulously crafted to equip participants with essential communication skills for both personal and professional contexts. The session commenced with an exploration of the significance of effective communication in achieving success and building relationships.

Facilitators led interactive discussions and engaging exercises, emphasizing verbal, non-verbal, and written communication techniques. Through role-playing scenarios, attendees had the chance to practice assertive communication, active listening, and confident public speaking.

A particular focus was placed on non-verbal cues like body language and gestures, teaching participants to align these with verbal messages for enhanced clarity and credibility.

The session also highlighted the power of storytelling as a communication tool, encouraging participants to craft compelling narratives to convey messages effectively.

Practical strategies were provided for overcoming communication barriers such as cultural differences and fear of public speaking, empowering participants to adapt their communication style to diverse audiences with confidence.

147 students from II B.Pharm & II Pharma D actively engaged in the program. Dr. D. Sathis Kumar, the Principal of APC, extended his appreciation to Dr. Jaganath Rao for generously imparting his expertise during the session.
