Objective:

- ✓ To educate faculties about flash chromatograph and its applications
- ✓ To gain knowledge on new Trends in flash chromatograph
- ✓ To educate the faculties about the principles and techniques applied in flash chromatograph

Time : 10:30 a.m. to 4:15 p.m.

A Faculty Development program (FDP) on installation and practical session on flash chromatograph by Dr. G Srinivasa Rao Y. M. C. INDIA Pvt L.t.d from 06.10.2023 to 11.10.2023

Day-1 Lecture on working principle of flash chromatography

Day-2 Lecture on install and running of flash chromatography

Day-3 Lecture on precautions taken during working on flash chromatography

Day-4 Lecture on Advantages of flash chromatography over Conventional chromatography

Day-5 Lecture on Applications of flash chromatography

Outcome:

- All the faculties actively participated in all the sessions.
- The FDP provided platform to faculties and participants to gain experience about various updated process and guidelines and to share their views on different issues.
- The program also resolved the queries rise in the minds of participants and provided an opportunity to interact with various experts.

INTERNAL TRAINING PROGRAM ON

DISSOLUTION AND FLAME PHOTOMETER APPARATUS

A two day internal training program was conducted for the lab technician's on 04-12-2023 to 05-12-2023 in the campus. Senior faculty from our college has taken lectures and given demo on pharmaceutical chemistry lab instrument handling.

S. No	Date & Day	Resource Person	Topic Name
1	Day 1 04.12.2023	B.SUJIA Department of Pharmaceutical Analysis Aditya Pharmacy College.	Methods and Precautions taken during handling of Dissolution apparatus
2	Day 2 05.12.2023		Techniques and caution during handling of flame photometer apparatus

Targeted Audience: Lab technicians of all departments

The program is conducted 2 days as follows

Day: 1 Interaction with lab technicians about Methods and Precautions taken during handling of dissolution apparatus by B. Sujia

Day-2 Session has begun by B, Sujia she gave a lecture on Techniques and caution during handling of flame photometer apparatus

Outcome:

- All the lab assistants actively participated in all the sessions.
- The ITP provide platform to lab assistants and participants to gain experience about dissolution and flame photometer apparatus.
- The program also resolved the queries rise in the minds of participants and provided an opportunity to learn techniques in handling dissolution and flame photometer apparatus.

A FACULTY DEVELOPMENT PROGRAMME (FDP) ON

HPLC AND GC CHROMATOGRAPHIC TECHNIQUES

Objective:

- ✓ To educate faculties about the importance of HPLC in qualitative and quantitative determination dosage form design
- ✓ To gain knowledge on working principle of HPLC and GC
- ✓ To educate the faculties about the applications of HPLC and GC in research

Time : 10:30 a.m. to 4:15 p.m.

A Faculty Development Program (FDP) on working principles and applications of HPLC and GC in research ADITYA PHARMACY COLLEGE 08.01.2024 to 12.01.2024

Day-1 The first session has begun by Dr. D. Sathis kumar he gave a lecture on importance of HPLC in a field of research

Day-2 Dr. D. Sathis kumar he gave a lecture on applications of HPLC in characterization of drug molecule.

Day-3 A lecture on HPLC for qualitative and quantitative estimation of dosage form by Dr. P. Bhaskar Rao

Day-4 Dr. P. Bhaskar gave a lecture on applications of GC in Purification of gaseous products.

Day-5 Dr. P. Bhaskar gave a lecture on importance of GC in a field of research

Outcome:

- All the faculties actively participated in all the sessions.
- The FDP provided platform to faculties and participants about various updated process and guidelines and to share their views on different issues.
- The program also resolved the queries raised in the minds of participants and provided an opportunity to interact with various experts.

INTERNAL TRAINING PROGRAM

DIGITAL COLONY COUNTER AND BOD INCUBATOR

A two day internal training program was conducted for the lab technician's on 28-02-2024 to 29-02-2024 in the campus. Senior faculty from our college has given lectures and teaches practical session on digital colony counter and BOD incubator.

S. No	Date & Day	Resource Person	Topic Name
1	Day 1 28.02.2024	Dr. J. Bhargava narrendra Department of Pharmacy Practice Aditya Pharmacy College.	Conducting a practical session on digital colony counter
2	Day 2 29.02.2024		Conducting a practical session on BOD incubator

Targeted audience: Lab technicians of all departments.

The program is conducted 2 days as follows

Day 1 Lab technicians were learned about the Methods followed during the practical session on digital colony counter.

Day-2 In the Second session Lab technicians were learned about BOD incubator.

Outcome:

- All the lab assistants actively participated in all the sessions.
- The ITP provided platform to lab assistants and participants to gain knowledge on digital colony counter and BOD incubator
- The program also resolved the queries raises in the minds of participants and provided an opportunity to interact with various experts.

A FACULTY DEVELOPMENT PROGRAMME (FDP) ON

UNDERSTANDING THE APPROACH TO PUBLICATIONS SPECIAL EMPHASIS ON ARTIFICIAL INTELLIGENCE

Objective:

- ✓ To gain knowledge on artificial intelligence
- ✓ To educate faculties about the importance of artificial intelligence in practicing research publications
- ✓ To educate the faculties about role of artificial intelligence in research publication

A five day Faculty Development program (FDP) on Understanding the approach to publications special emphasis on artificial intelligence by Dr.Karri V.V.S.Narayana Reddy Jss Ooty, Dr.P.S.S Saikiran
ADITYA PHARMACY COLLEGE 18.04.2024 to 23.04.2024

Day-1 The first session has begun by Dr.Karri V.V.S.Narayana Reddy he gave a lecture on steps involved in publishing a journal

Day-2 Dr. Karri V. V. S. Narayana Reddy he gave a lecture on strategies involving in applying AI tools in writing a publication.

Day-3 Dr. Karri V. V. S. Narayana Reddy he gave a lecture on AI as modern software used in publications.

Day-4 Dr. P. S. S Saikiran he gives a lecture on how AI helps in research.

Day-5 Dr. P. S. S Saikiran he gives a lecture on AI as a advanced tool and it create a golden era in research.

Outcome:

- All the faculties actively participated in all the sessions.
- The FDP provided platform to faculties and participants to gain experience about various updated process and guidelines and to share their views on different issues.
- The program also resolved the queries raises in the minds of participants and provided an opportunity to interact with various experts.

INTERNAL TRAINING PROGRAM ON

WORKING PRINCIPLE OF SHEARINGTON ROTATING DRUM AND PREPARATION OF PHYSIOLOGICAL SALT SOLUTION

A two day internal training program was conducted for the lab technician's on 15-05-2024 to 16-05-2024 in the campus. Senior faculty from our college has taken lectures and given demo on working principle of shearing ton rotating drum and preparation of physiological salt solution

S. No	Date & Day	Resource Person	Topic Name
1	Day 1 15.05.2024	Dr. S. Nageswara Rao Department of Pharmacology, Aditya Pharmacy College.	Working principle of shearing ton rotating drum
2	Day 2 16.05.2024		Preparation of physiological salt solution

Targeted audience: Lab technicians of all departments.

The program is conducted 2 days as follows

Day 1 Dr. S. Nageswara Rao Interacted with lab technicians about working principle of shearing ton rotating drum

Day-2 He gave a lecture and practical session on Preparation of physiological salt solution

Outcome:

- All the lab assistants actively participated in all the sessions.
- The ITP provided platform to lab assistants and participants to gain knowledge on working shearing ton rotating drum
- The program also resolved the queries raises in the minds of participants about preparation of physiological salt solution.
