### **(ANNUAL REPORT-2023-24)**

#### **About the Institute**

Aditya Pharmacy College (APC) was founded to provide quality education in coastal districts of Andhra Pradesh in 2004 under the aegis of Aditya Academy. Dr. N. Sesha Reddy, as a founder Chairman, promoted this educational institution, with a mission, to offer the best pharmacy education with unmatched innovations in the process of teaching and learning by aiming at the holistic development of the students.

The college is situated in an eco-friendly area of 2.5 acres with thick greenery at Surampalem, Gandepalli Mandal, Kakinada District, Andhra Pradesh. The College is 15 Km away from Samalkot Railway Station, which is on the Howrah-Chennai Railway line in South Central Railway, and 35 Km away from Kakinada and Rajahmundry on ADB Road.

The college has one academic building with a total carpet area of 7440 sq. Mts. apart from the building. The college proudly offers 01 UG -B. Pharmacy and 2 PG programs in Pharmaceutical Analysis and Pharmaceutics along with PharmaD program for 19 years of rich standing in the educational era.

It is approved by AICTE and PCI, recognized by Govt. of Andhra Pradesh, and affiliated to Jawaharlal Nehru Technological University Kakinada (JNTUK). The college also received UGC recognition under Sections 2(f) of the UGC Act and Autonomous status.

#### **Admission intake of the college**

| 3            | Programs organized for students   | 05                    |
| 4            | Sensitization Programmes are organized to promote Gender Equity.  | 03                    |
| <b>Total</b> |   | <b>36</b>             |

The details of these programs are given in Annexure II.

## 1.4 Technical Symposiums/Scientific Models/Students Chapter conducted:

We conducted a national-level seminar at Aditya Pharmacy College to extract the hidden talents of the students and their career motivation. It was held on 22, 23<sup>rd</sup> Sep 2023. All the surrounding colleges have been invited and participated very actively in this seminar. The talk was delivered about drug discovery and its critical steps and advantages over other competitors. The essence of the talk was received and acquired by the students for their exposure. The college conducted various activities like Paper presentations-poster presentations, etc.

## 1.5 Online course Certifications:

The staff members and students were encouraged to take continuous learning process NPTEL Courses, Medscape, BMJ, MOOCs-WHO learning, and Course which would enhance their teaching and learning in Technical Education

Staff and students enrolled and completed the courses:67.

### **1.7 Student Placements**

Placement and higher studies are the true indicators of a robust academic system. Moreover, internship opportunities play a vital role in molding the students to make them industry-ready. The Centre for Training and Placement (T&P) effectively undertakes all the activities related to campus recruitment and training needs of the students through close interaction with employers, students, faculty, and alumni. In the academic year 2023-24.

Recruitments were facilitated through the Placement Centre. A good number of students got the placement in various companies.

The eligible students from the Aditya Pharmacy College were provided with various pieces of training to assist them in getting placed in various corporate companies. The summary of on-campus placements for the year 2023-24 is as follows:

| S. No        | Program Details | No. of students placed |
|--------------|-----------------|------------------------|
| 1            | B. Pharmacy     | 63                     |
| 2            | M.Pharmacy      | 00                     |

### Sensitization Programmes organized to promote Gender Equity.

Gender awareness plays an important role in informing women and men about gender equality, the benefits of a more gender-equal society, and the consequences of gender inequality.

Our institution encourages gender equity by organising sensitization programmes to create awareness among the staff and student community. These programmes promote equality for men and women by allowing men and women to view what is stereotypical of and reasonable for their gender.
