BEST PRACTICE – I

1. TITLE OF THE PRACTICE:

SCHOLARSHIP SCHEME

2. OBJECTIVES OF THE PRACTICE:

The main objective of the scheme is

- To provide financial assistance to the meritorious student and financial weak students to pursue technical education in the college.
- To provide holistic education.
- To offer quality education at affordable costs.
- To mould students and make them useful to the society.

3. THE CONTEXT:

Education is a source of light in the face of darkness, hope in the face of despair, strength in the face of weakness, and freedom in the face of enslavement. It has the ability to transform a person from a state of lack and ignorance to one of abundance and enlightenment. Education provides us with both means and significance in our life.

4. THE PRACTICE:

Merit Scholarships is another best practice that is initiated by our Institution to encourage students admitted in our Institution with below 40,000 ranks in EAMCET entrance exam conducted by Andhra Pradesh state Government for admission into Pharmacy Colleges of Andhra Pradesh. This practice is started from the year 2016. It is a supportive solution mechanism for encouraging financially weak and merit students also.

At present financial situation families with average and lower income groups are hesitating in sending their children for higher education becomes almost impossibility. Higher education becomes dream for the financially low income and rural areas. APC is providing higher education and guidance are provided such that their dream turns into true by giving merit scholarships every year. This motivates the student to challenge himself to reach higher goals in his own life.

5. EVIDENCE OF SUCCESS:

Aditya Pharmacy College provides merit scholarships for the students joined in the college by securing rank below 40,000 in EAMCET conducted by Andhra Pradesh government every year. Merit scholarships had been initiated in the campus form 2016 onwards. This an encouragement for students to reach their goals in near future.

- In 2016-17; 130 students got benefited from this scheme.
- Out of 130 students 55% (71) girl students got benefited from the scheme.
