## REPORT

**Name of the Programme: One day Drug interaction workshop using Micromedex**

**Duration of Programme: 2 hour**

**Resource Person Details: Dr. P.VINEELA, Pharm.D**

**Assistant Professor,**

**Department of Pharmacy Practice**

**Aditya College of Pharmacy**

**Surampalem -533437**

**Contact No- 9177484206**

Dr. P. Vineela, led a one-day session on drug information for II Pharm D students at Aditya College of Pharmacy utilising the database Micromedex on the 28<sup>th</sup> of January, 2021. The workshop's primary goals are to educate students on how to get unbiased, reliable information about pharmaceuticals, toxicology, illnesses, acute care, and alternative medicine. Additionally, it aids students in selecting the best primary, secondary, and tertiary sources of drug information (DI) to use in their analysis of clinical practice-related topics. To establish a suitable search strategy for a given DI topic that will yield high-quality literature retrieval, as well as to examine the similarities and differences of secondary and tertiary information resources for particular types of drug or medical information.

The day of the session, she taught using computers in our well-equipped computer lab. She gave the students their login information after explaining how it worked, and she then instructed them to look for specific drugs' information online. The workshop had about 26 students in attendance. Finally, Dr. P. Vineela was praised by our principal, Prof. Dr. K. Ravishankar, for imparting her knowledge to the students.

## REPORT

**Name of the Programme:** One day workshop on MS Office.

**Duration of Programme:** 2 hour

**Resource Person Details:** Mr.K.Rajasekhar, M. Tech

Computers and Networking

[krajasekhar@aditya.ac.in](mailto:krajasekhar@aditya.ac.in)

Contact No - 9985106848

Mr. K.Raja Sekhar, conducted a one-day course on MS Office for II B.Pharm students at Aditya College of Pharmacy. The workshop was held on 10<sup>th</sup> of February 2021. The workshop's primary goals are to disseminate information on:

- How to use the most common Microsoft Office programs.
- To create documents for printing and sharing.
- To create and share presentations.
- To manage and store data in a spreadsheet.

This aids in raising student productivity, which is necessary for long-term job success.

On the workshop day, Mr. K. Raja Sekhar taught the students about Microsoft Word and how to create and edit documents in it, as well as how to manage and store data in a spreadsheet in Microsoft Excel, and how to create and share presentations in Microsoft Power Point. He also made them work on those topics individually. The workshop was attended by about 41 students. Finally, Mr. K.Raja Sekhar received appreciation from our principle Prof. Dr. K.Ravishankar for imparting information to pupils.

## REPORT

**Name of the Programme: One day workshop on Delnet**

**Duration of Programme: 2 hour**

**Resource Person Details: V.Satya Narayana**

**Librarian**

**Department of Library Sciences**

**Aditya College of Pharmacy**

**Surampalem-533437**

**Contact No: 9491901702**

**For II B.Pharm students, Aditya College of Pharmacy hosted a one-day workshop on the DELNET Database on January 21, 2021 with resource person V. Satya Narayana.** By gathering, storing, and disseminating data, the workshop's main goals are to encourage resource sharing among member libraries and to offer networked services to researchers and academics to support their research activities. To conduct scientific study in the field of information science and technology, develop new systems there, put the findings to use, and publish them To create or assist in the creation of research and/or referral centres, and to maintain a central online union catalogue of books, serials, and non-book items from all the member libraries.

On the event day, he conducted his instruction using a computer in our library. He gave the students their login credentials after describing how it worked, and after doing so, he even required them to conduct a search for certain e-book material. The workshop attracted about 36 students. Last but not least, V. Satya Narayana was acknowledged for imparting information to the students by our principal, Prof. Dr. K. Ravishankar.

## REPORT

**Name of the Programme:** One day Drug interaction workshop using Micromedex

**Duration of Programme:** 2 hour

**Resource Person Details:** 1. Dr. P.VINEELA, PHARM D

Assistant Professor

Department of Pharmacy Practice

Aditya College of Pharmacy

Surampalem -533437

Contact No- 9177484206

2. Mr. AMIT KUMAR, M PHARM

Associate Professor, HOD

Department of Pharmacy Practice

Aditya College of Pharmacy

Contact No- 8790592977

Aditya College of Pharmacy organized a **one day Drug Interaction workshop** using the database **Micromedex** for **II PharmD** students by resource persons Mr. Amit Kumar and Dr.P.Vineela on **24-09-2019**. The main objectives of conducting the workshop is to impart the knowledge in students on knowing about the unbiased, referenced information about drugs, toxicology, diseases, acute care, and alternative medicine. It also helps the students to analyze the most appropriate drug information(DI) resources including primary, secondary, and tertiary sources for answering questions related to clinical practice. To analyze the similarities and differences of secondary and tertiary information resources for specific types of drug or medical information and also to develop an appropriate search strategy for a given DI question that will result in high-quality literature retrieval.

## REPORT

Name of the Programme: One day workshop on Delnet

Duration of Programme: 2 hour

Resource Person Details: C H, Bhudevi,  
Librarian,  
Department of Library Sciences  
Aditya Degree College  
Surampalem-533437  
Contact No- 9951971531

On September 10, 2019, C H. Bhudevi, a resource person, led a one-day session on the DELNET Database for staff and II B.Pharm students at Aditya College of Pharmacy. By gathering, storing, and disseminating information, the workshop's primary goals are to encourage resource sharing among member libraries and to offer networked services to researchers and academics to support their research activities. to carry out scientific research in the field of information science and technology, develop innovative new systems, put the findings to use, and publish them. To create or assist in the creation of referral and/or research centres, as well as to maintain a central online union catalogue of all the participating libraries' books, serials, and non-book items.

On the workshop day, he taught using a computer in our library. He gave the students their login credentials, and after explaining everything, he even made them look up specific e-books' information. The workshop was attended by about 31 students. Finally, V. Satya Narayana received appreciation from our principal, Prof. Dr. K. Ravishankar, for imparting his knowledge to pupils.

## REPORT

**Name of the Programme:** One day workshop based on clinirex software

**Duration of Programme:** 2 hour

**Resource Person Details:** D. Ravi Prakash,

Associate Professor, Pharm.D

Department of Pharmacy Practice

Koringa College of Pharmacy

Korangi, E.G.Dt

Contact No: 9493955098

On August 13, 2018, D. Ravi Prakash, a resource person, led a one-day session on Clinirex software for III PharmD students at Aditya College of Pharmacy. Clinirex is an intuitive software programme that serves as a companion for Pharm D and clinical professionals. There were 24 participants.

Clinirex uses advance 256 bit encryption to save and store clinical data securely on clouds. Clinical records are safe and accessible to assigned institutions only.

This app is especially useful for pharmacy students because it uses Artificial Intelligence to store the documents and quick suggestions. Clinirex facilitates access to e-log book, drug information research articles, profile addition and also many other options. It also gives the users insight on potential drug- drug interactions and drug- disease interactions which are clearly categorized based on the severity from contraindicated to minor and recommendations on how to manage the interactions.

On the day of the event, he taught using a computer in our library, giving the students their login information and instructing them to conduct searches for specific e-books and academic papers when he had finished his explanation. Finally, Prof. Dr.K. Ravishankar, our principal, complimented him for imparting information to pupils.

## PROPOSAL LETTER

Date-16/09/2017

To,  
The Principal,  
Aditya College of Pharmacy,  
Surampalem.

**Subject- Permission to conduct a drug database training programme.**

**Respected sir,**

As the Academic committee coordinator of Aditya College of Pharmacy, I would like to ask permission for conducting one day training on **Complete Medicine Drug Database** for **III Pharm.D** students. The date decided by the committee is **20-09-2017**. Therefore, I request you to grant permission for conducting the event on the mentioned date.

Thanking you sir

Yours faithfully

## REPORT

**Name of the Programme: Complete Medicine Drug Database**

**Duration of Programme: 2 hour**

**Resource Person Details: Dr. Sita Mahalakshmi**

**GSL Hospital**

**Rajahmundry-533296**

On the 20<sup>th</sup> of November 2017, Dr. Sita Mahalakshmi, held a training programme on the **Complete Medicine Databases**. Around 25 students attended the event. The event was conducted to enlighten the students about drug databases.

The speaker talked to the audience on the value of drug databases in scientific research. She also discussed the numerous internet medication databases that are accessible. She also talked to the pupils about the advantages of learning how to use drug database browsing. The speaker also brought up the topic of the students' need for access to common databases as future pharmacists and advised that the college set up such access for the students. She also mentioned the importance of databases in spontaneous reporting of adverse reactions. The speaker wrapped up by highlighting the value of creating one's own database.

After responding to all of the students' questions, the speaker concluded the discussion. Prof. Dr. K. Ravishankar, the principal of Aditya College of Pharmacy, spoke after that. In the speech, Sir thanked the speaker and the organisers for their significant time..

## REPORT

**Name of the Programme: Workshop for MS Excel**

**Duration of Programme: 2 hour**

**Resource Person Details: K Swaroopa**

**Assistant Professor**

**Aditya Polytechnic College**

**Surampalem-533437**

**E.G.Dt**

The Aditya College of Pharmacy conducted a **Workshop for MS Excel** on 12-12-2016. This programme was held for **I B.Pharm and I Pharm.D** students, by **Ms. K.Swaroopa**. Making the students learn the basics and importance of MS Excel, was the main objective of the workshop. About 50 students participated in this workshop.

Initially the students had an introductory session where they were made aware about the significance of MS Excel in the field of research and pharmacy practice. This was followed by lessons on techniques of data handling using MS Excel. Once the students had learnt all the basics, they were provided with practical lessons where they applied their knowledge in sample data that was given along with a few basic tasks. About 3 such worksheets were provided to the students. The students' performance was evaluated based on the practical session and a progress sheet was provided to the students and the college.

The speaker responded to all of the students' questions regarding MS Excel after the session. At the end of the event, Prof. Dr. K. Ravishankar, Principal of Aditya College of Pharmacy, expressed gratitude to the speaker and event organisers for a successful workshop.
