Ms. CH.Aruna conducted a workshop for **Strategies to Improve Communication Skills** on **February 13th, 2019**. About 65 students attended the program. The program's main objective was providing tips and techniques for an effective communication at work place.

The speaker told the student about the importance of communication when at a work place. She integrated all the problems faced by the students while communicated when they shift from a college environment to work environment. The speaker highlighted the benefits of good communication skills. She provided the students with simple tips that could bring a significant change in their communication skills. She also conducted a training session where she gave the students vocal training and taught them the importance of practice. She advised the students to practice the vocal trainings that he gave.

The students opened about the issues that they faced while communicating and the speaker addressed to all the issues. Prof. Dr. K. Ravishankar, the principal of Aditya College of Pharmacy, spoke after that. Sir thanked the speaker and the organisers for their time throughout the speech and acknowledged them.

Contact No- 9705215997

On 19-08-2016, Mr.P. Satish led a Communication Skill Training Programme for IV B.Pharm and III Pharm.D students. This one day training program was initiated for providing the students with communication techniques at work place. About 102 students participated in this training programme.

The expert spoke about the different facets of corporate work life where communication is crucial. He effectively communicated his discussion on the effects on a person's first impression with a good communication skill. Additionally, he emphasised that formal communication takes diverse forms at various points in the working life. The students received advice from him on how to communicate effectively. After the lesson, he even led a conversation in small groups with the students to demonstrate good communication.

At the conclusion of the lesson, he solicited questions from the students and provided useful answers. The Aditya College of Pharmacy's principal, Prof. Dr. K. Ravishankar, then praised the speaker and the event's organisers and thanked them for organising a wonderful event.
