ACOP ECO-CLUB

Ref: ACOP/ HARITHA ECO-GREEN CLUB/ 2021-22

About the Committee:

Aditya College of Pharmacy [ACOP] creates an environment that opens up new worlds of opportunity. It is located in an eco-friendly area with lush greenery environment on and off-campus. It has a long legacy of healthy environmental practices including periodic plantation, their preservation and maintenance. The institute organizes various campaigns of public awareness and encourages people in participating in the environmental activities. A committee has been formed by the institute where active participation of faculty and students are involved for maintaining and conserving the better environment.

Objectives of the ECO-CLUB:

- To up skill the students regarding the significance of the environment and the consequences faced upon environmental devastation.
- To encourage students for active participation in the environmental conserving activities.
- To inculcate the moral sense of environmental studies through many innovative approaches.
- To inspire the students in adopting reduce, reuse and recycling conduct.

Undertakings of the ECO-CLUB:

- Initiate programs for raising consciousness on Reduce, Reuse & Recycle [RRR].
- Creating compassionate drives for cleaning the surroundings in and outside the campus.
- Take initiatives in controlling of sound and air pollution.
- Organizing Tree plantation programs within as well as outside the campus for environment resilience.
- Conducting activities for the staff and students for implanting the habit of green environment.
