Aditya college of pharmacy established the IQAC officially on 4<sup>th</sup> July, 2018. Right from the inception, IQAC has been an integral part in developing a system for conscious, consistent and catalytic improvement in the overall performance of the college. It is committed towards quality enhancement initiatives in higher education. Quality initiatives taken by IQAC in this year includes conducted a meeting to discuss about various measures to take for smooth running of academics without an interruption during lockdown period. Feed back on curriculum from stakeholders was introduced. In this, Feed back was collected from employers, students, Teachers and Alumni through questionnaire and the data was analysed.

Based on suggestions given through feedback, an action taken report was prepared which includes resolutions taken to improve the quality of institution. The same information was conveyed to Intuk.

ACOP conducts quality audits such as green audit, energy audit and environment audit. The institute has solar power plant of 500 KW capacity for captive use for the entire campus requirement. ACOP also followed energy conservation measures and the total electrical energy savings are estimated at 14,805 kwh/year and the corresponding monetary savings are 1.14 lakh/year.
