Digital library contains 10 Computers for student usage. Books issue, return, renewal completely based on barcode present on the student ID card. National and international journals are available in print and electronically. 8 newspapers will be available each day for the students and faculty. The notice board in the library displays all pertinent information about education. Every year, National Library Week conducts events like elocution, essay writing, and PowerPoint presentations. The library can accommodate easily 80 seats for patrons.

Always the library maintains clean and calm environment to motivate the students to spend more time.

Library committee conduct various programmes to the students like quiz, elocution, essay writing, bang out during special days like National Pharmacy Week celebrations, Telugu language day. To enlighten the library utilization library committee also provides best library user for staff and students.

E-CAP Software

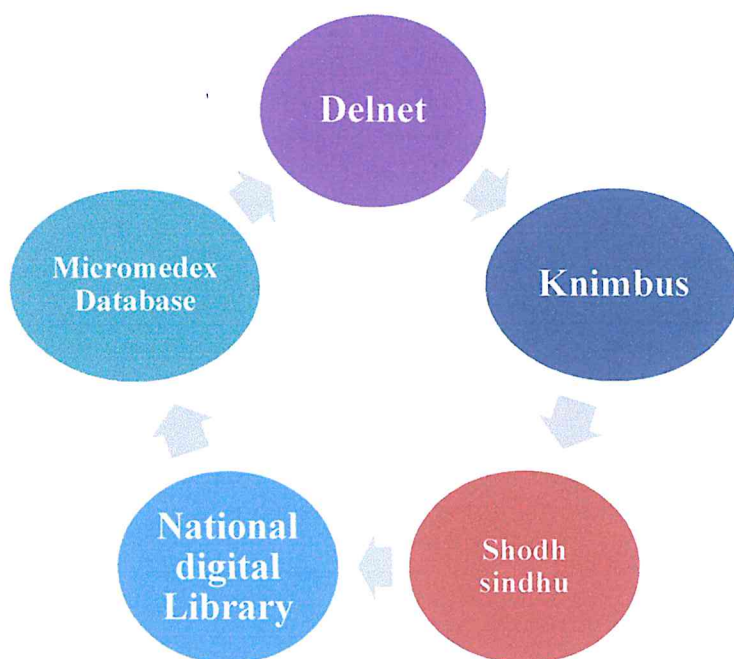

- It's a user friendly software
- It is useful to search the availability of books by subject wise/author wise/course wise
- It gives the information like books issue date and book return date
- It also display the fine amount if the student didn't submit the book in time

Guidelines for making the best use of library resources are provided by the librarian in charge and the library staff. The academic requirement for the library is discussed and decided upon each year. The library was periodically maintained. The institute will buy new books based on the recommendations of the faculty from various departments.
