## COLLEGE OF PHARMACY

Approved by AICTE & PCI - NEW DELHI, Affiliated to JNTUK KAKINADA  
(Formerly known as Sri Sai Aditya Institute of Pharmaceutical Sciences & Research)

Ph: 99498 76664  
Email: [office@acop.edu.in](mailto:office@acop.edu.in)  
Website: [www.acop.edu.in](http://www.acop.edu.in)

### 4.1.1-The institution has adequate infrastructure and physical facilities for teaching-learning, viz., classrooms, laboratories , computing equipment etc.

Aditya College of Pharmacy has suitable infrastructure and physical resources, such as classrooms, labs, computing equipment, and so on, in accordance with AICTE and PCI regulations, to support the teaching and learning activities, as described below.

- The college is situated in a greenish campus of 2 acres and caters to full fill the academic needs.
- Academic facilities for all B. Pharmacy(UG) M. Pharmacy (PG) and Pharm D programmes are housed in same building having three floors.
- All the classrooms (15), on campus had standard size and can accommodate 60 students. Also equipped with white board and LCD projectors.
- All the faculty members are having an access to laptop (or) desktop and other ICT amenities that aid in the teaching - learning activities.
- One seminar hall is included in the building to carry out the academic and other cultural activities and also they equipped with ICT facilities with white board and projectors.
- The college is under the CC TV surveillance, several areas of the college CC TV cameras are fixed which helps in proper monitoring of the college.
- Air conditioning is available in central instrumentation lab to maintain the working of instruments in good condition.

PRINCIPAL  
Aditya College of Pharmacy  
SURAMPALEM-533 437

### **Laboratories**

- Aditya College of Pharmacy processes 20 laboratories belonging to pharmaceuticals, pharmaceutical chemistry, pharmacology, pharmacognosy, pharmaceutical microbiology, pharmaceutical analysis and all labs are well equipped with equipment which would help all the students of B. Pharmacy, M. pharmacy and Pharm D to perform practicals and can excel in technical knowledge.
- The central instrumentation lab provide all sophisticated equipment like HPLC , UV-double beam spectrophotometer, Dissolution test apparatus etc. so that students are having facilities to utilise all these equipment during their practical work.
- All equipment in labs provided with standard operating procedures which help the students and also faculty while operating instruments.
- A separate computer lab is also present with 60 computers with good WI-FI facilities to fulfil the needs of projects, and research work of the students.
- Animal house is provided in the college with various animals to carry out the practical work in the physiological pharmacology laboratory.
- Medicinal garden is also located within the College premises having different types of medicinal plants.
- All the labs were connected with a separate main store room where in chemicals ,glass ware and other objects are stored for lab purpose
- Other important facilities like canteen, food courts, clinical room, transportation and staff quarters, hostel facilities etc. were provided by the management to all students and staff who can avail these facilities.

### ACADEMIC FACILITIES AND TEACHING LEARNING FACILITIES

ROOM	DESCRIPTION	COUNT
Class rooms	Spacious good ventilated class rooms with white marker boards and LCD projectors	15
Labs	Well equipped with different instruments and multiple sets of glass ware	20
Library	Digitalised library with number of books to facilitate teaching and learning process	1
Seminar hall	Seating capacity of more than hundred members of students with LCD projectors	1
Animal house	Required animals are available to facilitate research and practical work	1
Computer lab	Equipped with number of computers helps to facilitate teaching and learning process	1
Soft skill and language lab	Develops and improves communication skills in students	1
