CAREER COUNSELLING CELL

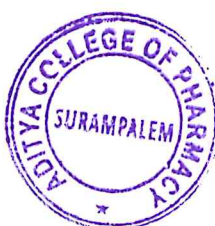

ABOUT:

The Career Counseling Cell of Aditya College of Pharmacy is formed to facilitate students towards their Career opportunities. The career counseling cell is constituted with the chairman, coordinators, faculty members and students. The career counseling cell (CCC) addresses both the academic and career concerns and opportunities. The inclusion of guidance about market patterns and employability can help the institution in building a base for the students. A career counseling committee is working towards organizing interactive sessions on the issue of probable upcoming career options, competitive exams, and government jobs to students.

OBJECTIVE:

1. Helping the students know themselves better regarding their interest, abilities, aptitudes and opportunities that will help them build up their profile for university admissions and their professions.
2. Providing information on various job options, courses, colleges, and current career trends.
3. Developing positive attitudes in the learners towards study and work and help in the total development of the students
4. Organizing meaningful and engaging career fairs for students at the institute.
5. Assisting students in gaining access to and filling out paperwork for universities in India and abroad and encouraging them to start the process early so that they do not miss the deadline.
6. Updating students on Career/Job/Scholarship/Academic information
7. Students are thoroughly prepared for industry and universities. We are a portal to higher education with a strong industry connection.
