Aditya College of Pharmacy organized a one day program using the database Micromedex for II PharmD students by resource person Dr.K. Amulya on 25-04-2024. The main objectives of conducting the workshop is to impart the knowledge in students on knowing about the unbiased, referenced information about drugs, toxicology, diseases, acute care, and alternative medicine. It also helps the students to analyze the most appropriate drug information(DI) resources including primary, secondary, and tertiary sources for answering questions related to clinical practice, To analyze the similarities and differences of secondary and tertiary information resources for specific types of drug or medical information and also to develop an appropriate search strategy for a given DI question that will result in high-quality literature retrieval

On the day of the workshop they used computers as a mode of teaching in our well equipped computer lab where they had provided the students the login ID and password After explanation the students were made students to search the drug information of particular drugs. Around 33 students attended the workshop. Lastly,our principal Prof.Dr. K.Ravishankar thanked Dr.K.Amulya for sharing her knowledge with students.
