Website: www.acop.edu.in

### 6.2.1 Does the college have a perspective plan for development? If so, give the aspects considered in development of policy and strategy

Aditya College of Pharmacy was established in 2006 by Founder and Chairman, Dr. N.Sesha Reddy. The institute is permanently affiliated to JNTUK, recognized by PCI, New Delhi. The institution is working towards becoming a center of excellence in pharmaceutical education and research and pharmacy practice. The perspective plan for development described below

#### Vision and mission

##### Vision

To induce higher planes of learning by imparting technical education with

- ☐ International standards
- ☐ Applied research
- ☐ Creative Ability
- ☐ Value based instruction and to emerge as a premiere institute.

##### Mission

Achieving academic excellence by providing globally acceptable technical education by forecasting technology through

- ☐ Innovative Research and development
- ☐ Industry Institute Interaction
- ☐ Empowered Manpower

Key aspects of the policy and strategy include:

1. **Academic Excellence:** It focuses on academic change with development of curriculum, research promotion, industrial collaborations and faculty development.
2. **Infrastructure Growth:** Infrastructure development is the improvement of such facilities as the library, laboratory, and such concepts like green campus.
3. **Student-Centric Initiatives:** Regarding the students, the plan focuses on students' well-being through providing career advice, and extra-curricular skill enhancing programs.

Formerly known as Sri Sai Aditya Institute of Pharmaceutical Sciences & Research

Aditya Nagar, ADB Road, Surampalem - 533 437, Kakinada Dist., Andhra Pradesh, INDIA.

4. **Community Engagement:** is enhanced through degree of outreach programs and such social undertaking.
5. **Efficient Governance and Innovation:** Through awareness of information technology tools and ensuring that the community is part of the management process of their own affairs. It shows that student teacher interactions are positive and the development is emphasis on areas supported by the national education policies.
6. **Extra curricular activities:** Motivating students through different levels of activities such as sports, and cultural related aspects.
7. **Human resource management:** is a strategic approach to recruiting, retaining an organizing work force, employee satisfaction with organization goals.
