A awareness programme on ragging and anti ragging measures was conducted for the III B Pharm students by the Anti ragging committee in the seminar hall of Aditya College of Pharmacy . The speaker started the seminar session by explaining the students, what exactly constitutes ragging, why is it a criminal offence and who is liable to be persecuted for it. He also stated that not only the offending parties but also the silent witness would be held equally responsible. He also stated that while these rules are to protect the juniors, they should not be misused by them as it could destroy some one's career. Further, he focussed on anti ragging measures to be followed by institution. The take home message was that ragging is strictly frowned upon in the institution and will be dealt with severe consequences if anyone is found guilty of indulging in it.
