Subject: Request for arrangement of a trainer to conduct an add-on course

Dear CEO,
Technical Hub,

Greetings from Department of CSE, Aditya College of Engineering & Technology, Surampalem. We had identified a course entitled *"Web Technologies (WT)"* in the JNTUK Kakinada academic Regulation R16 for IV B.Tech (CSE) - I semester, mainly focuses on theoretical aspects and we want to expose the students to WT domain knowledge proportional to industrial requirements. Thus we would like to introduce an add-on course entitled *"Angular JS (IT/01)"* which fulfils the curriculum gap. In this regard I request you to arrange an expert to train our students on specified add-on course during the dates 25-09-2017 to 30-09-2017.

Thanks & Regards
