Dear CEO,  
Technical Hub,

Greetings from Department of CSE, Aditya College of Engineering & Technology, Surampalem. We had identified a course entitled "*Artificial Intelligence (AI)*" in the JNTUK Kakinada academic Regulation R19 for III B.Tech (CSE) - I semester, mainly focuses on theoretical aspects and we want to expose the students to AI domain knowledge proportional to industrial requirements. Thus, we would like to introduce an add-on course entitled "*Artificial Intelligence (IT/01)*" which fulfils the curriculum gap. In this regard I request you to arrange an expert to train our students on specified add-on course during the dates 22-08-2016 to 27-08-2016.

---

**Thanks & Regards**
