## STANDARD OPERATING PROCEDURE

The NSS unit formed standard operating points for execution of various programs. All points are framed with the presence of principal, NSS program officer and other executive body members.

The chairman of NSS unit, Dr. T.K. Rama Krishna Rao welcomed all the committee members.

The first agenda point was to form the objectives of the NSS committee.

Our NSS committee chairman Dr. T.K. Rama Krishna Rao suggested that all the programs should be connected to social and community services so that it will help to develop a better society.

NSS program officer suggested blood donation camp should be conducted every year either once or twice in our college so that it will help the needy.

Other committee members have advised that clean and green, traffic awareness and career developments to our NSS volunteers and students.

By considering others opinions we decided to organize twelve programs for the academic year 2021-2022.

Collective decision was taken by all the committee members for the conduct of all the events for first and second semesters.

## OBJECTIVES of NSS

NSS main objective is to

- Have a good understanding of the community in which they operate.
- Understand themselves in relation to their community.
- Identify the needs and problems of the community and involve them in problem-solving.
- Develop among them, a sense of social and civic responsibility.
- Utilize their knowledge in finding practical solutions to individual and community problems.
- Gain skills in mobilizing community participation.
- Acquire leadership qualities and democratic attitudes.
- Develop capacity to meet emergencies and natural disasters.
- Practice national integration and social harmony

## Report on World Aids Day

Date: 01-12-2021

Venue: Community Health Center, Peddapuram

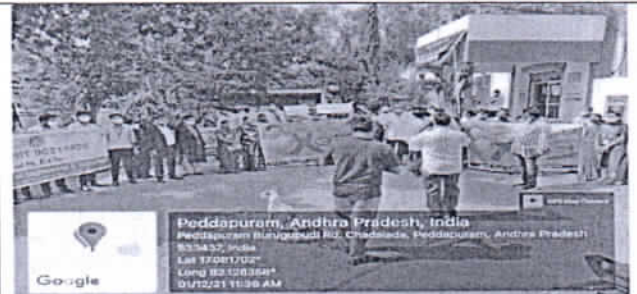

No of students Participated: 45

Chief Guest: Dr. P R S G Varma, Medical Superintendent

Chief Guest addressed the gathering and said that the theme of World AIDS Day 2021 is "End inequalities. End AIDS and End Pandemics", with a special focus on reaching people left behind. He states that the main agenda this year is to highlight the growing inequalities in access to essential HIV services around the world. He further states that the division, disparity and disregard for human rights are among the failures that allowed HIV to become and remain a global health crisis. (WISE) Women Initiative for Sustain Empowerment an NGO, medical staff and NSS Volunteers participated in the event. Event Expenditure is Rs 1150.

## Report on Cyber Jagrookt-Awareness Program

Date: 30-10-2021 No. of Participants:93 Venue: ZP High School Surampalem  
Speaker of the Program: DUNE SATYANARAYANA

In this growing digital age, we have become more dependent on the internet for many of our daily activities. Every day, we see new cyber-crimes being reported. It is a proven fact that if we are aware about how various cyber-crimes are committed, then it helps us to protect ourselves and our family from such frauds. Preventing crimes and protecting women and children in cyber space is the objective of this awareness program (Cyber Jagrookt) at ZPH School, Surampalem. Speaker described the levels of cybercrimes with an example and given the scope of field "cyber security" in future. Students are actively interacted with the speaker and got clarification to their doubts. Programme expenditure is Rs.600.

## Report on Grocery and Necessity Distribution at Ashram

Date: 02-10-2021

No. of Participants:183

Venue: Santha Ashram, Tatiparthi

As Mahatma Gandhiji said, "The best way to find yourself is to lose yourself in the service of others", on account of his birthday, NSS Volunteers and Students of our College made a visit to a local ashram for the distribution of necessities there. These include pulses, rice, dal, flour, blankets, clothes, shampoos, and soaps among others. Seeing the happy and hopeful eyes of the people there made all 183 of us want to conduct another program as soon as possible. As the pandemic was ravaging the area, we were seen as Gods by everyone there. We believe seeing the happiness in their eyes is enough to say that this program is a success.

*As lungs are to humans so are forests to our planet earth. Yes! Forests are called the 'Lungs of the Earth' for they are factories which consume carbon dioxide and in turn give oxygen by Dr T K Rama Krishna Rao, Principal. Dean of Academics, Dr A Rama Krishna addressed the gathering by saying that today, restoring the health of the planet has become an urgent need. Tree plantation is the best nature- given technology to restore the health of the planet. However, tree plantation is not just sowing a sapling in the soil, it beholds profound ecosystem science behind it. The kind of varieties chosen, time, place and way they are planted are most significant things to take care while tree plantation. Further, enriching the soil, after care of the sapling stand equally important to ensure grow and sustainability of the plan. As a part of Jagannanna Pachathoranam, NSS unit of ACET distributed saplings to medical Staff and Faculty. Total expenditure of this event is Rs1130.*

## Report on Grocery and Necessity things distribution at old Age home

Date: 04-09-2020      Venue: kakinada      No. of Participants:172

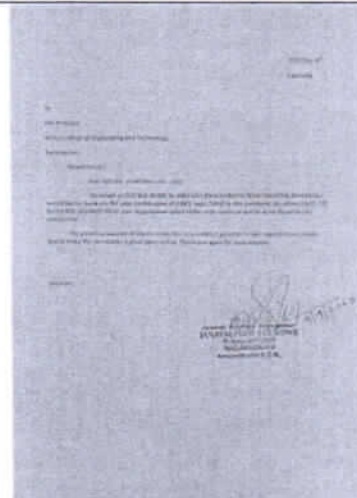

As German diarist Anne Frank said, "No one has ever become poor by giving", we believe we became richer by conducting this event. We have been blessed by tens of people and asked for continual support for their Ashram.

NSS unit made a visit to a local ashram for the distribution of necessities there. These include pulses, rice, dal, flour, blankets, clothes, shampoos, soaps among others. Seeing the happy and hopeful eyes of the people there made all 172 of us want to conduct another program as soon as possible.

We believe seeing the happiness in their eyes is enough to say that this program is a success.
