No. of Participants:183

Venue: Santha Ashram, Tatiparthi

As Mahatma Gandhiji said, "The best way to find yourself is to lose yourself in the service of others", on account of his birthday, NSS Volunteers and Students of our College made a visit to a local ashram for the distribution of necessities there. These include pulses, rice, dal, flour, blankets, clothes, shampoos, and soaps among others. Seeing the happy and hopeful eyes of the people there made all 183 of us want to conduct another program as soon as possible. As the pandemic was ravaging the area, we were seen as Gods by everyone there. We believe seeing the happiness in their eyes is enough to say that this program is a success.

Report on Grocery and Necessity things distribution at old Age home

Date: 04-09-2020

Venue: kakinada

No. of Participants:172

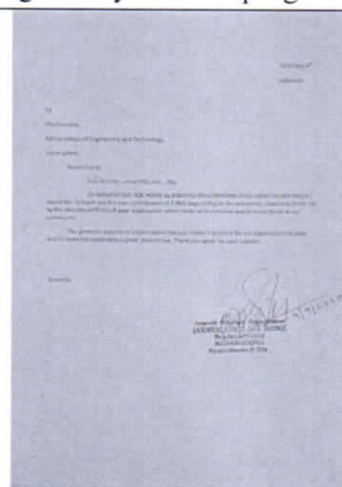

As German diarist Anne Frank said, "No one has ever become poor by giving", we believe we became richer by conducting this event. We have been blessed by tens of people and asked for continual support for their Ashram.

NSS unit made a visit to a local ashram for the distribution of necessities there. These include pulses, rice, dal, flour, blankets, clothes, shampoos, soaps among others. Seeing the happy and hopeful eyes of the people there made all 180 of us want to conduct another program as soon as possible.

We believe seeing the happiness in their eyes is enough to say that this program is a success.
