#### **1. Report in brief by Coordinator:**

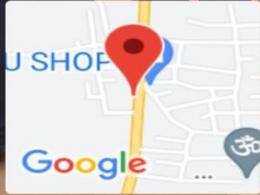

On the occasion of Vanamahothsavam on 11<sup>th</sup> July, 2022. NSS Unit – Aditya College of Engineering and Technology successfully organized the event of vanamahothsvam in Anuru village. Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO2. As we all know that whole world is facing the problem of global warming and to recover from such problems planting the trees is become one of the most important aspects today. The event was began with the welcoming of guest P. Naga Bhushana sir head master, MPPS UP School, Anuru, Kakinada. Welcome speech has given by NSS coordinator L. Eswar. At that time head master is advised to volunteers to think differently for the society to make positive changes and to make improvement. All were happy and experience proud after the tree plantation event was finished, because it really feels great to do positive for the nature

**Report****1. Report in brief by Coordinator:**

This year India is celebrating Har Ghar Tiranga Campaign to commemorate 75 years of Independence. Following this, Aditya College of Engineering and Technology carried out an awareness rally in its adopted village – Anuru & Anuru MPPS UP School. It started at around 10 A.M and had the participation of around 50 volunteers who took part enthusiastically. The volunteers visited the village and shouted patriotic slogans to encourage the villagers, to hoist Tiranga in their houses. The people were made aware of the Har Ghar Tiranga Campaign and its significance in celebrating the 75 years of India's Independence. Also, the villagers were educated about the appropriate way of placing Tiranga in their house and how to handle it respectfully. Thus, the event was conducted successfully witnessing the energetic and enthusiastic participation of the volunteers and executives.

## Report

### 1. Report in brief by Coordinator:

The Birth Anniversary (on 31<sup>st</sup> October) of our first Deputy Prime Minister late Sardar Vallabhbhai Patel was celebrated as National Unity Day (Rashtriya Ekta Diwas) on 29<sup>th</sup> October 2022 organized by the NSS unit of Aditya College of Engineering and Technology, Surampalem. NSS Programme Officer Mr. J Srinivas & NSS co-coordinator Mr. L Eswar explained about why National Unity Day is celebrated? and key role of Sardar Vallabhbhai Patel at the time of independence, in convincing several princely states to align with the Indian Union. The day of his birth, therefore, celebrates his efforts and contributions. Dr. Dola Sanjay S, Principal made aware of student responsibilities as citizens of India and how a national integrity helps in defeating the actual and potential threats for unity, integrity and security of the nation. Mr L. Eswar, Assistant Professor spoke on efforts of Vallabhbhai Patel in making the princely kingdoms concede with the dominion of India. The NSS student volunteers, teaching and non teaching staff took the pledge to preserve the unity and integrity of the nation and spread this message among the countrymen. All of them enthusiastically participated in a 1km unity run around the premises of the college to evoke the spirit of integrity among the people. Event ended with National Unity Day (Rashtriya Ekta Diwas) Pledge.

### National Unity Day (Rashtriya Ekta Diwas) Pledge

“I solemnly pledge that I dedicate myself to preserve the unity, integrity and security of the Nation and also strive hard to spread this message among my fellow countrymen. I take this pledge in the spirit of unification of my country which was made possible by the vision and actions of late Sardar Vallabhai Patel. I also solemnly resolve to make my own contribution to ensure internal security of my country”.

In every stream,Aditya has become a spring -board for success through its powered vision,constant innovation and professional excellence.

### Report

#### Report in brief by Organizer / Coordinator / Convener:

Aditya College of engineering and Technology – National Service scheme (NSS) unit -90214409 in association with Government General Hospital Kakinada Blood Bank organized a blood donation in college seminar hall. Blood donation is one of the most significant contributions that a person can make towards the society. Blood donation camp started at 10:00am by inauguration initiated by Dr Nallamilli Sessa Reddy, Chairman of Aditya Educational Institutions. There were 90 units of blood collected. The students of different branches of Aditya College of Engineering and Technology generously donated blood and also participated in event

enthusiastically. Donors were given refreshments. The donors were provided with glucose water and food expected to be in the venue. This stretched the capacity of the blood bank, as a result of which the contact details of the donors were taken so as to allow them to donate at the earliest to the blood bank. The samples were carefully sealed transported away, while the volunteers helped in the cleaning-up of the area. Throughout the morning, there were smiles and laughter all around – a true embodiment of what we believe in selfless service with a smile. The donors received certificate of recognition. Camp ended by 3:00pm.
