STUDENT COUNCIL

About

The student council is to build up the brand image of our institution on a global scale. To encourage the academic, professional and personal development of the students individually and as a group, in order to achieve overall excellence.

The foundation of the student council assumes a necessary and significant part in the welfare of the students. Student council gives a proxy structure through which students can discuss issues of concern and embrace drives which are helpful for the institute and the students. It is significant that they are offered the chance to communicate their perspectives on various issues in the college. It is similarly significant that they are paid attention to and urged to take a functioning part in advancing the points and targets of the college. The rules referenced are expected to give good direction to students in the foundation and activity of the students' council.

A Student Council is a delegate construction through which students in the institute can become associated with the issues of the college, working in organization with the administration, staff and understudies to serve the college and its students.

The Student Council and its construction is very common in all institutions and it works for the welfare of the students.

Students play a vital role in this council and actively take the initiative to do some modifications if required for the development of the organization and its students.

A Student Council gives a chance to students to participate in an organized organization with faculty, students and the college management. Some studies of investigations demonstrate that students' councils can work on scholastic principles and diminish dropout rates in college.

Principal
Aditya College of
Engineering & Technology
SURAMPALAM- 533 437

The foundation of a student council offers a chance to students to procure the kind of correspondence, arranging and authoritative abilities which will be helpful for them in their future lives. It empowers students to assume liability for projects, and to show that they can oversee and carry such undertakings to an effective end. Also, the commitment made by the council to the improvement of college strategy in various areas can have critical advantages for students and the institute.

The role of the student council:

A Student Council should frame its specific objectives. Some common objectives could consist of:

- .To officially represent all the students in the institute
- To develop healthy relationships with proper communication between students, management and staff.
- To endorse an environment which is encouraging to educational and personal development of the students?
- To encourage friendship and mutual respect among students.
- To collaborate with the management and staff for the advancement of the institute.
- To collect the suggestions and their personal views of the students on various issues and take the apt decision to solve the issues.
- To communicate its opinion to the institute administration on any subject that concerns student and on which the council wishes to be consulted

The Student Council and the Management:

- The management should frame and maintain proper procedures to maintain proper communication channel about the student council activities in the institute
- The management should guide and assist students to form a council and should extend its helping hand towards the council's establishment.
- The management should frame the rules and regulations for the formation of students' council and selection of members.
- The management should play an important role in meetings organization and the demeanour of its activities.

With the Principal and teachers:

Principal plays a vital role in the formation and operation of a Student Council. He acts as the mediator between management, faculty and students of the college.

In the early stages, the Principal will collaborate with faculty to work on the development of the council and frame the roles and responsibilities of the students in the council.

Additionally in general the Principal can endorse the culture of the college which distinguishes the potential and valuable input of students can achieve

The sustenance and leadership of the principal is very useful to the Council in the initial stage of planning its actions, and facilitated to all faculty to attend Council gatherings will help to form a friendly and good working relationship between students and staff of the institution.

Functions of Student Council:

Most of the activities and functions should be framed by following the aims and objectives of the council and endorse the growth of the institute and the welfare of its students. In planning and related activities during the academic year, the Council should:

- Work meticulously with the collaboration of management, teachers and students,
- Plan for very often meetings with students, and make them involved in as many activities of the Council.
- The below mentioned activities should conduct to enhance the growth and development of the students and the institution:
 1. Convey the opinions and suggestions of the council to the college management
 2. Maintaining worthy communications within the campus
 3. Provide moral and all Supports for the scholastic progress of the students
 4. Conducting an induction program for the development of the students.
 5. Guidance and counselling sessions for students
 6. Make them to participate in sports, co-curricular and cultural activities
 7. Extend their participation in NSS activities.
