Student council committees contribute towards the overall well-being and holistic development of the students of the institute so that they emerge as responsible leaders and as active participants in the society. Student committees promote a safe and intellectually stimulating environment that encourages academic success, personality development, and student satisfaction. The foundation of a student council offers a chance to students to procure the kind of correspondence, arranging and authoritative abilities which will be helpful for them in their future lives. It empowers students to assume liability for projects, and to show that they can oversee and carry such undertakings to an effective end. Also, the commitment made by the council to the improvement of college strategy in various areas can have critical advantages for students and the institute.
