STUDENT COUNCIL

About

The student council will act as an umbrella body for all the clubs and committees on campus, ensuring their smooth functioning at each juncture. Apart from being the link between the students and the management, the Student Council will be responsible for the brand enhancement of the campus and will constantly strive towards making the experience of the student on campus comfortable and enriching. A Student Council is a delegate construction through which students in the institute can become associated with the issues of the college, working in organization with the administration, staff and understudies to serve the college and its students.

The Student Council and its construction is very common in all institutions and it works for the welfare of the students.

Students play a vital role in this council and actively take the initiative to do some modifications if required for the development of the organization and its students.

A Student Council gives a chance to students to participate in an organized organization with faculty, students and the college management. Some studies of investigations demonstrate that students' councils can work on scholastic principles and diminish dropout rates in college.

The foundation of a student council offers a chance to students to procure the kind of correspondence, arranging and authoritative abilities which will be helpful for them in their future lives. It empowers students to assume liability for projects, and to show that they can oversee and carry such undertakings to an effective end. Also, the commitment made by the council to the improvement of college strategy in various areas can have critical advantages for students and the institute.

The role of the student council:

A Student Council should frame its specific objectives. Some common objectives could consist of:

- To develop healthy relationships with proper communication between students, management and staff.
- To endorse an environment which is encouraging to educational and personal development of the students?
- To encourage friendship and mutual respect among students.
- To collaborate with the management and staff for the advancement of the institute.
- To collect the suggestions and their personal views of the students on various issues and take the apt decision to solve the issues.

The Student Council and the Management:

- The management should frame and maintain proper procedures to maintain proper communication channel about the student council activities in the institute
- The management should guide and assist students to form a council and should extend its helping hand towards the council's establishment.
- The management should frame the rules and regulations for the formation of students' council and selection of members.
- The management should play an important role in meetings organization and the demeanour of its activities.

With the Principal and teachers:

Principal plays a vital role in the formation and operation of a Student Council. He acts as the mediator between management, faculty and students of the college.

In the early stages, the Principal will collaborate with faculty to work on the development of the council and frame the roles and responsibilities of the students in the council.

Additionally in general the Principal can endorse the culture of the college which distinguishes the potential and valuable input of students who can achieve excellence by all means.

The sustenance and leadership of the principal is very useful to the Council in the initial stage of planning its actions, and facilitated to all faculty to attend Council gatherings will help to form a friendly and good working relationship between students and staff of the institution.

Functions of Student Council:

Most of the activities and functions should be framed by following the aims and objectives of the council and endorse the growth of the institute and the welfare of its students. In planning and related activities during the academic year, the Council should:

- Work meticulously with the collaboration of management, teachers and students,
- Plan for very often meetings with students, and make them involved in as many activities of the Council.
- The below mentioned activities should conduct to enhance the growth and development of the students and the institution:
 1. Convey the opinions and suggestions of the council to the college management
 2. Maintaining worthy communications within the campus
 3. Provide moral and all Supports for the scholastic progress of the students
 4. Conducting an induction program for the development of the students.
 5. Guidance and counselling sessions for students
 6. Make them to participate in sports, co-curricular and cultural activities
 7. Extend their participation in NSS activities.

To

The Principal,

Aditya College of Engineering and Technology,

Surampalem.

Respected sir,

We, the student council committee coordinators and members brings to your kind notice that most of the students who are participating in extracurricular activities i.e., workshops, internships, training programs etc., are not able to coordinate both classwork and extracurricular activities. They are lagging in subject and attendance too. In this regard, we request you to give permission to conduct extra classes whenever possible, to those students who have participated in extracurricular activities and also consider the attendance of those students.

Thanking you sir,

Yours sincerely,

ANNUAL REPORT

AY 2017-18

An awareness program was conducted on “Student Council” on 21st March 2018 in seminar hall, Visvesvaraya Bhavan among the committee members and students. The program began with the address by Mr.M.P.Subbaraju the student council coordinator around 24 students attended the meeting.

Our Principal, the Chairman of student council committee Dr.T.K.Ramakrishna Rao emphasized on the colleges strict policy on student welfare in campus with the effort of everyone. The environment should be friendly so that all the category of students can depend and help each other.

The committee coordinators and members discussed an issue that most of the students who are participating in extracurricular activities i.e., workshops, internships, training programs etc are not able to coordinate both classwork and extracurricular activities. They are lagging in subject and attendance too. In this regard, we requested the Principal to give permission to conduct extra classes whenever possible, to those students who have participated in extracurricular activities and also consider the attendance of those students. The permission was granted by the Principal and now the students can easily coordinate both academics and extracurricular activities.

The committee coordinators discussed about to develop positive attitudes to practice good citizenship, to improve student faculty relationships, college moral and general welfare etc. The growing interest and potential opportunities of graduate students wishing to pursue their higher education and research across globe.

The program concluded with the vote of thanks by Student Council Committee Co-Ordinator Mr.M.Nagaraju.
