## ANNUAL REPORT

AY 2021-22

An awareness program was conducted on “Student Council “on 19<sup>th</sup> March 2022 in seminar hall, Visvesvaraya Bhavan among the committee members and students. The program began with the address by Mr.M.P.Subbaraju student council coordinator, around 23 students attended the meeting.

Our Principal, the Chairman of student council committee Dr.T.K.Ramakrishna Rao emphasized on the colleges strict policy on student welfare in campus with the effort of everyone. The environment should be friendly so that all the category of students can depend and help each other.

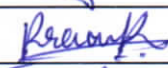

The committee coordinators discussed an issue that a student named P. Umesh studying 2<sup>nd</sup> year B.Tech EEE bearing the roll number 20P31A0278 from Aditya College of Engineering and Technology is unable to pay the fee on time. The exams are commencing . So he is unable to appear for the examinations. As a part of student council, we requested the principal to look into this issue and provide permission to the student to appear for the examinations by giving some time to pay the fee without late fine. The request was accepted and the student was allowed to appear for the examinations with some bound to pay the fee. This solution is helpful for other students who are unable to pay the fee on time.

Once again is informed that the Council gives a proxy structure through which students can discuss issues which are helpful for the institute and the students. It is significant that they are offered the chance to communicate their perspectives on various issues in the college and make them to participate in sports, co-curricular and cultural activities. The program concluded with the vote of thanks by Student Council Committee Co-Ordinator Mr.M.Nagaraju.
