Report on Career Opportunities in Space Technology

Speaker of the event: **Shri Yalla Siva Prasad**

Former scientist

ISRO Department of Space

Targeted students: IV B.Tech

Venue: Visveswaraya Bhavan Seminar Hall

Date: 04th and 05th Oct 2021

No of students attended: 492

With the permission given by the principal Career Counselling Cell in association with the Department of ECE conducted Career Opportunities in Space Technology for III & IV B.Tech students on 04th and 05th Oct 2021. The main objectives of this session are to provide the knowledge of Space science and technology and their applications among technical students for developing their career in Space Technology.

In this program 492 students have participated and the speaker explained about ISRO's first satellite, Aryabhata, Rohini- the first satellite placed in orbit by an Indian-made launch vehicle, the Indian National Satellite (INSAT) system for telecommunication. The first INSAT was launched in 1988, The first IRS satellite was also launched in 1988 and he said that ISRO subsequently developed three other rockets: the Polar Satellite Launch Vehicle (PSLV) for putting satellites into polar orbit, the Geostationary Space Launch Vehicle (GSLV) for placing satellites into geostationary orbit, and a heavy-lift version of the GSLV called the GSLV Mark III or LVM. Finally students are motivated to plan their career in space technology. At the end of the program the resource person and the Participants filled the feedback forms. The event is published in newspaper and the program was closed with distribution of refreshments.
