ABOUT ADITYA ACADEMY

ADITYA academy has made its entry into the educational arena in the year 1984. In succession and with rapid strides, the group established a number of Junior Colleges, Degree Colleges, PG Colleges, Engineering Colleges, Pharmacy Colleges, Nursing Colleges and Teacher Training Institutions. The silver-jubilee educational group with 50,000 students in 50 institutions with 5000 staff across three districts in Andhra Pradesh has become the standard bearer for quality education. In every stream, Aditya has become a spring board for successthrough its powered vision, constant innovation and professional excellence.

ABOUT ADITYA GROUP OF ENGINEERING COLLEGES

Aditya group of Engineering Colleges are situated in a serene, scenic, Wi-Fi enabled campus in Surampalem (between Kakinada and Rajahmundry in East Godavari District of Andhra Pradesh). Aditya Engineering Colleges are frontrunners in providing quality engineering education with a fair share of fun. The colleges have grown up to the extent of enrolling 7500 students, 500 faculties and 400 supporting staff.

About Aditya College of Engineering &Technology

Aditya College of Engineering& Technology was established in the year 2004. It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, ME, CSE & IT and PG programs in MCA, MBA, PE, PID, VLSID,

CSE, CS & SE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library &well-furnished canteen.

Apart from continuous improvement of quality in teaching, the colleges lay significant emphasis on excellence in Research & Development. Excellence is achieved through 'freedom with a purpose' and the purpose is overall development of all the people involved viz., students, faculty and staff.

ABOUT STTP

Hindi is the most commonly spoken language in India, which solidifies its place as one of the most important languages of south-east Asia.

Hindi is spoken by around 260 million people across the globe as a native tongue, with another estimated 120 million people use Hindi as a second language in countries such as India and Nepal.

Due to its vast number of speakers, Hindi is considered to be the fourth most-spoken language in the world, behind languages such as:Chinese, Spanish andEnglish.
