Aditya Nagar, ADB Road, Surampalem - 533437

Date: 05/02/2018

To
The Principal,
Aditya College of Engineering & Technology,
Surampalem.

Respected Sir,

Sub: Request for the approval to organize STTP for training students in National (Hindi) Language – Reg.

This is to bring to your kind notice that, The Language club committee would like to organize a Short-Term Training Program for 2nd year students to train students in our national language for 1 week from 12/02/2018 to 17/02/2018 to improve their communication skills. Hence, we kindly request you to please give your approval for organizing the program.

Thanking you Sir,

Yours sincerely

ABOUT ADITYA ACADEMY

ADITYA academy has made its entry into the educational arena in the year 1984. In succession and with rapid strides, the group established a number of Junior Colleges, Degree Colleges, PG Colleges, Engineering Colleges, Pharmacy Colleges, Nursing Colleges and Teacher Training Institutions. The silver-jubilee educational group with 50,000 students in 50 institutions with 5000 staff across three districts in Andhra Pradesh has become the standard bearer for quality education. In every stream, Aditya has become a spring board for success through its powered vision, constant innovation and professional excellence.

ABOUT ADITYA GROUP OF ENGINEERING COLLEGES

Aditya group of Engineering Colleges are situated in a serene, scenic, Wi-Fi enabled campus in Surampalem (between Kakinada and Rajahmundry in East Godavari District of Andhra Pradesh). Aditya Engineering Colleges are frontrunners in providing quality engineering education with a fair share of fun. The colleges have grown up to the extent of enrolling 7500 students, 500 faculties and 400 supporting staff.

About Aditya College of Engineering & Technology

Aditya College of Engineering & Technology was established in the year 2004. It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, ME, CSE & IT and PG programs in MCA, MBA, PE, PID, VLSID,

CSE, CS & SE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

Apart from continuous improvement of quality in teaching, the colleges lay significant emphasis on excellence in Research & Development. Excellence is achieved through 'freedom with a purpose' and the purpose is overall development of all the people involved viz., students, faculty and staff.

ABOUT STTP

Hindi is the most commonly spoken language in India, which solidifies its place as one of the most important languages of south-east Asia.

Hindi is spoken by around 260 million people across the globe as a native tongue, with another estimated 120 million people use Hindi as a second language in countries such as India and Nepal.

Due to its vast number of speakers, Hindi is considered to be the fourth most-spoken language in the world, behind languages such as: Chinese, Spanish and English.

Report on Short Term Training Program

Duration of the Event: 12/02/2018 to 17/02/2018

Name of the Event: Short Term Training Program

Venue: Room No-218

Timings: 3.30 P.M to 4.30 P.M

A One week Short Term Training Program was conducted on "Let's Learn Hindi" from 12/02/2018 to 17/02/2018 at R.No: 218, Visweswaraya Bhavan for II B.Tech students. Mr. Mr. Surendra, Student of II ECE welcomed the guest and all the students to the gathering. The resource person for the event was Ms. Sneha M. Joseph, Asst. Professor, ECE, ACET. On 17th February 2018, a Test was conducted to the students. Feedback also taken from the students. Ms. Priyanka, Student of II ECE concluded the session with vote of thanks. The guest was honored with a memento as a mark of gratitude for accepting our invitation and making it success.

Aim: The main aim of this program is to empower the students with other languages to survive in national and international arena. Hindi is the most commonly spoken language in India, which established its place as one of the most important languages of South-East Asia.

Outcome: The Language Club committee conducted a STTP for the 2nd year Engineering students who registered for the programme.

The basic conversation skills in Hindi language were developed with this training program. This training helped them to develop skills for their career. A Second language is added to their belt. Learning different languages expands their professional reach.
