A Two week program was conducted on “Let’s Learn French & Hindi” from 03/02/2020 to 15/02/2020 at R.No: 218, Visweswaraya Bhavan for II B.Tech students. Mr. Saiba Nyampa, Student of CSE, ACOE, Surampalem and U. Sai Sri Ramya, JNTUK were the resource persons. Mr. Deepak Reddy, Student of II ECE initiated the programme and welcomed the guests and all the students. The French classes by Mr saiba commenced from 03/02/2020 to 08/02/2020 followed by Hindi classes by Ms. U.S.S. Ramya from 10/02/2020 to 15/02/2020. On 15th February 2020 a Test was conducted and feedback was taken by the students. Ms. Bharathi, Student of II ECE concluded the session with vote of thanks. The guests were honored with a memento as a mark of gratitude for accepting the invitation and making it success.

Aim: The main aim of this program is to empower the students with other languages to survive in national and international arena. Foreign languages provide a competitive edge in career choices whereas Hindi is the most commonly spoken language in India, which established its place as one of the most important languages of South-East asia.

Outcome: The Language Club committee conducted a STTP for the 2nd year Engineering students who registered for the programme. The students were divided into 2 batches based on the language they selected. One batch for French and other batch for Hindi.

The basic conversation skills in the corresponding language were developed with this training program. This training helped them to develop skills for their career. A Second language is added to their belt. Learning different languages expands their professional reach.
