## ABOUT MECHANICAL DEPARTMENT

Mechanical engineers develop state-of-the-art technologies and exhilarating solutions for the mankind. We attempt to provide our students with a cheerful, productive and satisfying experience at all levels of their program of studies to explore the amazing world of mechanical engineering. The department has secured high reputation through its quality of teaching, infrastructure & equipment. Teaching has been rendered by highly qualified and experienced faculty with good publications in reputed journals. The department is recognized as a research centre by JNTUK, Kakinada for pursuing Ph.D. programme in Mechanical Engineering. The department has spacious laboratories and well equipped with experimental set-ups as per the requirement of the curriculum. The faculty are very active and encourage the students in fabricating real models viz., Go-kart, Robots, Solar based vehicles and other working models, which are very useful in day-to-day life and teach students with live examples.

## Vision

To be a center of excellence in Mechanical Engineering education and research

## Mission

*To promote trainings with institutional association*

*To provide skill-based education with focus on Automotive*

*To promote innovative ideas through creativity and leadership quality*

## Editorial Board:

1. Mr. K. Vijay Asst. Professor
2. Mr. A Chiranjeevi V S Prasad Asst. Professor
3. Mr. Abdul Javeed (Student)
4. Mr. G Vamsi (Student)
5. Mr. D H Rama Krishna (Student)
6. Mr. P. Prabhu Teja (Student)
