Hi BANGARU,

We're pleased to have you join **FULL Creative's Java Development Internship program**. The internship has been crafted to deliver a complete learning experience with the opportunity to implement what you learn. You will acquire new skills that will help you change the way the world works. Trust us, you'll have fun in the process!

We would like to help you find resources to learn and prepare, before joining the internship program.

Pre Internship University:

Click on the link to go to the [Pre-Internship University](#):

- Java Tutorial - Oracle
- Java Tutorial - Solo learn
- Introduction to JavaScript - Udacity - 7 lessons

What to do?

We want you to complete **all** the courses mentioned above one after the other

The three courses have multiple modules/lessons within them, we want you to complete all of them.

For communication- We would like you to complete **English courses** by clicking on the following links:

[Course 1](#)

[Course 2](#)

Note:

Please note that we want you to learn all the concepts that are covered in the courses **in depth**. We encourage you to utilize other resources that are available as well for the purpose of the study.

We absolutely can't wait to have you on board.

Thank you.
