Report

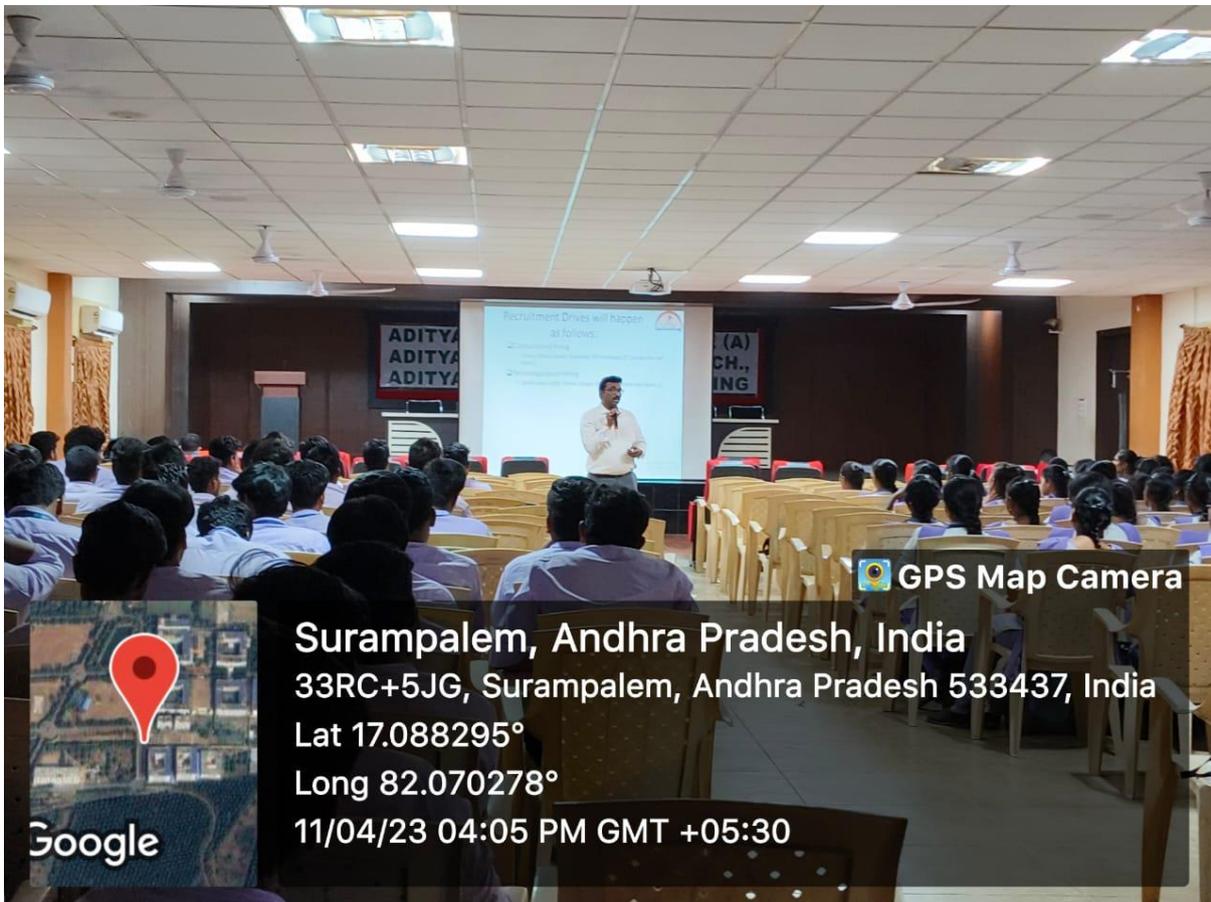

1. Report in brief by Organizer / Coordinator / Convener:

Placement department conducts the placement orientation every year to enlighten the students on placement activities. TPO's have discussed about the process of placement drive. They also have discussed the important topics like aptitude, reasoning and coding abilities that students need to possess during the placement drives.

They have introduced new platforms like superset and suveymonkey to the students for taking the assessments during placements. Mr. V Nagaraju focused on the upcoming core campus drives like ZF india, Efftronics and Surya tech global solutions. Ms. Vasavi gave awareness on the amazon wow drive for girl students. Mr. Jafar enlightened the students towards coding platforms, startup companies and also mentioned the packages they offer. They also have suggested the students to maintain good percentages and keep update in their profiles for campus drives.

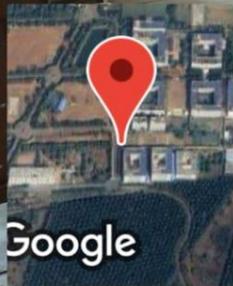

This session really helped the students to get awareness on the latest job opportunities and packages. They got exposure towards the placement activities.
