Report on Python Programming

Training and Placement Cell has organized training on Python Programming by Mr. Narla Venkata Surya Narayana, Technical trainers of APSSDC from 19/04/2021 to 26/04/2021 at computer lab-2 of Visveswaraya Bhavan, ACET. The program was held for II B.Tech students. Around 160 students attended the program. The honourable speakers stressed on the importance of the new technologies emerging throughout the world. They also explained how these technologies help to build the career path related to industry. The students were able to understand today's technologies are evolving at such a rapid pace. The speakers discussed about the real-time applications on python language in various companies. The session ended with the refreshments arranged.
