Report on AWS cloud computing training

Training and Placement Cell has organized training on python program by Mr. Md. Shaifu Zama, Technical trainer of THUB from 06/01/2020 to 11/01/2020 at computer lab-1 of Visveswaraya Bhavan, ACET. The program was held for IV B.Tech students. Around 154 students attended the program. The honourable speaker stressed on the importance of the new technologies emerging throughout the world. He also explained how these technologies help to build the career path related to industry. The students were able to understand today's technologies are evolving at such a rapid pace. The speakers discussed about the real-time applications on cloud computing in various companies. The session ended with the refreshments arranged.
