Report on Python programming training

Training and Placement Cell has organized training on python program by Mr. R. Sudhir, Python trainer of THUB from 14/10/2019 to 19/10/2019 at computer lab-1 of Visveswaraya Bhavan, ACET. The program was held for II B.Tech students. Around 153 students attended the program. The honourable speaker stressed on the importance of the new technologies emerging throughout the world. He also explained how these technologies help to build the career path related to industry. The students were able to understand today's technologies are evolving at such a rapid pace. The speakers discussed about the real-time applications on python language in various companies. The session ended with the refreshments arranged.
