Title: Accountancy for Managers

Date: 12-09-2019

Resource person: Dr. N. UdayaBhaskar
Associate Professor
Department of Commerce and Management Studies
Adikavi Nannaya University
Rajahmundry

Objective of workshop: The main objective of Accountancy for manager's workshop is to help students to recognise the importance of managerial accounting is to maximize profit and minimize losses. It is concerned with the presentation of data to predict inconsistencies in finances that help managers make important decisions

Beneficiaries: Faculty and Students

Outcome of the event: With this workshop on Accountancy for managers both students and faculty able to learn information for planning the organization's activities. How to provide information for controlling the organization's affairs. How to provide information for making decisions. The most important things in this the management accountant is to conduct a relevant cost analysis to determine the existing expenses and give suggestions for future activities. Once the management accounting team is done with relevant cost analysis, you can make better and evidence-based decisions
