An Alumni Meet was organized on 06th December 2018 by ACET, Surampalem . Even though the date of this Meet was declared in the month of December itself, the news spread far and wide. Many of the alumni played active role in contacting their batchmates and others. The Meet was attended by 166 alumni of batches that graduated in year 2008 (First Graduating Batch) to 2018. It was a great pleasure to know about their accomplishments in professional lives. Most of them were visiting their Alma Mater for the first time since their graduation, and they were excited to be back in the campus again. About 80 alumni attended the Meet with their spouses and children and their stay arrangement was made in the Hostels where they once lived. They very proudly took their families to show their campus and places where they lived and spent time.

Addressing the inaugural function worthy Principal, Dr. T.K. Ramakrishna Rao welcomed the Chief Guest, Alumni, and their family members. He said that Alumni are the brand ambassadors of the Institution and a very healthy relationship must be established and nurtured.

In the post lunch session, the alumni visited their respective departments. The HODs of each department took them to various laboratories and other departmental facilities and presented the recent progress and activities they have made. After the presentation, they made discussions on the future developments and alumni came up with many suggestions regarding the laboratory development, syllabus of courses etc. They also put forward their services in the growth of Department.

The evening session was devoted to some cultural activities .The children of Alumni were also staged. At the end of the formal cultural events staged inside the Auditorium, the celebration moved outside. On fast tunes of music, alumni their family members, children and faculty members danced outside the Auditorium. This crowd was thrilled and excited when the principal sir also joined the dancing group. Everyone was moved by the emotions of dancing alumni.

A feedback was also collected from alumni regarding the organizational aspects of the Meet and their suggestions for improvement in professional training at ACET.
