Event Name : SUDOKU  
Date : 14-06-2018  
Time : 9:30am  
Venue : Ramanujan Bhavan - Ground Floor- Seminar Hall

Sudoku is a puzzle event organized by Cultural Committee of Aditya College of Engineering. The event was a grand success, wherein more than 40 participants took part from all branches. Every participant showed huge enthusiasm and the event was managed amiably and brilliantly. Sudoku is a Japanese fun puzzle game. It requires the player to fill in the 9x9 square grids with the numbers one to nine. The numbers should be arranged in such a way that each row, column and mini-grid contains one of each number.

The objective of the event was to build students' critical thinking skills and confidence in their abilities to complete challenging tasks. Students showcased their extraordinary talent by participating in Sudoku competition making the atmosphere pleasant. The Sudoku-solving skill of contestants was tested through the regular CLASSICAL Sudoku as well as different Sudoku variations like ODD EVEN, DIGONAL and IRREGULAR Sudoku in different rounds.

The winners and runner up of all the events were encouraged with merit certificate and cash prizes. Dr. A B Srinivasarao, Principal & all HOD's are the distinguished guests to present prizes for winner and runner up of event and give their valuable suggestions to the students for conducting and participating in the events with high morale and cordial relations.

## REPORT

Event Name : Thread Art  
Date : 20-06-2018  
Time : 9:30 am  
Venue : Ramanujan Bhavan - Ground Floor- Seminar Hall

Thread Art is an event organized by Cultural Committee of Aditya College of Engineering. The event was a grand success, wherein 20 participants took part from all branches. Every participant showed huge enthusiasm and the event was managed brilliantly. Thread art is an art of learning to "draw" with thread through the art of embroidery.

Using custom stencils students have to create their own design on fabric, and then fill and embellish their drawing with stitches. Participants will learn several different stitches and leave with a hand- stitched piece of art. Registration includes admission, art materials, and instruction. Light refreshments are provided. The winners and runner up of all the events were encouraged with merit certificate and cash prizes.

Come let's draw is a drawing competition organized by Cultural Committee of Aditya College of Engineering. The event was a grand success, wherein 30 participants took part from all branches. Drawing competition was held for the students on 3/8/2018. The participants actively participated in the competition and wondrously showcased. Amazingly, the enthusiasm among the participants was worth watching. Students touched many aspects related to environment in their paintings like save trees, green buildings, green cities and global warming. Students wonderfully depicted the dangers harming the planet and also the uniqueness of the planet was showcased through the variations of colours. It was amazing to watch how students creatively portrayed about such issues wondrously. The competition was like an extravaganza for the little painters and the spectators as well, as they have used their brilliance of painting blended with the perceptions. The winners and runner up of the event were encouraged with merit certificate and cash prizes. Further the way the students displayed the uniqueness and beauty of a green world was commendable. The winners and runner up were encouraged with merit certificate and cash prizes.

Ganesh Chaturdhi Festival is celebrated in college on 13<sup>th</sup> Sept 2018, by Cultural Committee of Aditya College of Engineering. Students decorated Ganesha's statue in the college with flowers. Pooja was grandly performed to the idol in the presence of beloved Chairman and Managing Director's family. Delicious food was offered to the Lord and Kozhakatai sweet was distributed to the students. Many students came forward to participate on that occasion and filled in with all blessings of Ganesha. Ganesh Idol making competition was held and several students participated in it. Students were instructed to make idols of Ganesh with sand and clay. Principal appreciated the efforts of the students and awarded the winners.

Tug of war is an event organized by Cultural Committee of Aditya College of Engineering. The event was a grand success, wherein 10 teams took part from all branches. The event was held on 26-09-2018. **Tug-of-war** is an athletic contest between two teams at opposite ends of a rope, each team trying to drag the other across a centre line. In some forms of the game a tape or handkerchief is tied around the centre of the rope and two others are tied six feet (1.8 metres) on either side. Three corresponding lines are marked on the ground. The game ends when one team pulls the other so that the tape on the losers' side crosses the ground mark on the winners' side. The contest is decided by the best two out of three pulls. The students showcased their wonderful sportsman spirit at their campus. Students from all branches formed as groups and exhibited their talent in the game. The winners and runner up were encouraged with merit certificate and cash prizes.

Event Name : **Treasure Hunt**  
Date : **13-11-2018**  
Time : **2:30 pm**  
Venue : **College premises**

Treasure hunt is an event organized by Cultural Committee of Aditya College of Engineering. The event was a grand success, wherein 7 teams took part from all branches. The event was held on 13-11-2018. It was a time-bound activity and the house that would gather all the clues and reach their goal first would be declared the winner. There were twelve clues and every clue lead to the next step. Various parts of the college premises were used to place the clues with the help of the teaching staff. There was a lot of exhilaration as students ran from pillar to post to reach to their next clue. Each clue was in the form of a riddle and the students thoroughly savored decoding the hints. There was display of tremendous team work and coordination among the house members. In the end it was a treat to watch the winners find the "treasure" with huge smiles on their faces. Principal appreciated the efforts of the students and teachers. The winners were encouraged with merit certificate and cash prizes.

Flower arrangement competition is an event organized by Cultural Committee of Aditya College of Engineering. The event was a grand success, wherein 5 teams took part from all branches. The event was held on 6/2/2019. Each team had two parts: flower arrangement (20 minutes) and presentation (1 minute). The criteria for the grade took into account the beauty of arrangement, the meaning related to it and also the time to prepare and present. Absolute score was 100 point for two parts. Judges had a very difficult time making their decision because all 5 teams worked very hard and delivered very good presentations. The winners of the event were encouraged with merit certificate and cash prizes.

Face Painting is an event organized by Cultural Committee of Aditya College of Engineering. The event was a grand success, wherein 10 teams took part from all branches. The event was held on 13-03-2019. The competition was based on the college annual theme "Healthy Youth, Wealthy Nation". Each group had three participants. They used fabric, poster, water and organic colors to paint the faces. The students showed the current issues of health like habit of eating junk food, smoking apart from yoga postures in their face paintings. Colorful faces which were beyond recognition were a delight for the students and teachers alike. One could hear peals of laughter even though the message that the student teams tried to give were serious in nature. The winners of the event were encouraged with merit certificate and cash prizes.

## REPORT

Event Name : Dance Competition  
Date : 27-03-2019  
Time : 2.30pm  
Venue : Ramanujan Bhavan - Ground Floor- Seminar Hall

Dancing is an event organized by Cultural Committee of Aditya College of Engineering. The event was a grand success, wherein 25 students took part from all branches. The event was held on 27-03-2019. The theme of the event is "Dance your dance". Some young students danced to the rhythm of Bharatanatyam, a major form of Indian classical dance and some students performed western. The performed Bharatanatyam is really poetic. Every blink of eye, flip of finger and stamp of feet conveys a meaning or emotion so powerful, melodious and charming that even the cleverest play of words pales into insignificance. Principal appreciated the efforts made by them and also commented "they are extremely devoted, even young students show a high sense of responsibility. It's quite amazing". The winners of the event were encouraged with merit certificate and cash prizes.

## REPORT

Event Name : Popsicle Bridge Making  
Date : 11-4-2019  
Time : 2:30am  
Venue : Ramanujan Bhavan - Ground Floor- Seminar Hall

Popsicle Bridge Making is an event organized by Cultural Committee of Aditya College of Engineering. The event was a grand success, wherein 46 teams took part from all branches. The event was held on 11/4/2019. The complete bridge is to contain a maximum of 100 Popsicle sticks joined together with all purpose, nontoxic glue (note: crazy and industrial glue are not permitted). White glue is the only glue permitted. The rules and specifications for bridge design change each year so it is critical that the teams read through and follow all instructions. On the day of the event these students (and their bridges) will be put to the test! Volunteers from the civil engineering profession and local college campuses will serve as judges testing the bridges; scoring technical papers, display boards, and presentations; hosting an impromptu competition; and giving tours. The strongest bridge will be decided by the judges by applying the loads. The winners of the event were encouraged with merit certificate and cash prizes.
