Reference	Ref: ACOE/T&PC/2020-21/2/Circular dated 16th March 2021		

The meeting of Training and Placements Committee of Aditya College of Engineering held on 18th March 2021 with the following agenda:

AGENDA:

1. Review on placement drives conducted by different companies within our campus as well as the companies that are going to visit the campus.
2. Discussion on student's participation in off campus drives conducted at different Institutions.
3. Discussion on difficulties faced by students during placements, and required measures to be taken to ensure more number of students gets placed.
4. Providing professional guidance to the students.

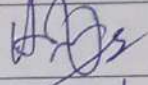

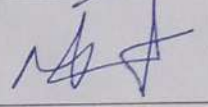

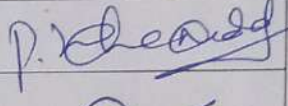

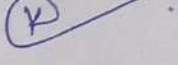

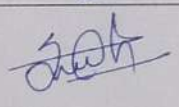

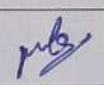

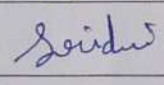

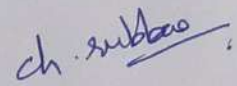

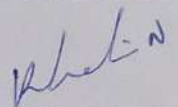

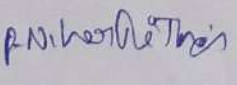

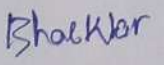

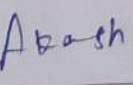

The meeting of Training and Placements Committee was commenced with the welcome note by Convener, Mr. M. Madhu Manikya Kumar to all the members present. The Convener presented the agenda and requested the Chairman to address the members. The Chairman-T&PC welcomed all the members to the meeting. Further, The Chairman reviewed and discussed about the points of agenda.

MINUTES AND RESOLUTIONS:

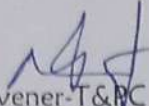

1. The committee discussed about the companies that conducted placement drives at our Institution and hired the students. The committee decided to identify the companies and collect details of the HR's and ensure more placement drives at our Institution and take necessary steps to get more students placed through on and off campus drives.

2. Chairman of the committee instructed all the members to motivate the students to participate in off campus drives conducted at different places. All the required information about placements has to be circulated to all the eligible students.
3. The committee discussed about the difficulties faced by the students during placement drives. The committee decided to organize an interactive session with the HR's of different multinational companies and ensure more number of students gets placed in this academic year.
4. The Chairman of the committee instructed all the members to motivate the students to make sure that all the eligible students should attend the training classes, so that the students will be aware of the recruitment process.
