## ENTREPRENEURSHIP DEVELOPMENT CELL STANDARD OPERATING PROCEDURE FOR AY 2021-22

The Entrepreneurship Development Cell in Aditya College of Engineering is initiated to promote Entrepreneurship Culture among the students by organizing entrepreneurship awareness programmes, guest lectures by successful entrepreneurs, "face to face" student to entrepreneurs programme, awareness camps, startup programmes.

### Objective:

The objective of promoting entrepreneurship among the youth is to nurture a passion for self-employment. The primary objective of the EDC is to organize Entrepreneurship awareness programmes for students in order to bring awareness about Entrepreneurship. The EDC in college conducts a number of Skill development training programmes that can lead to self/wage employment. It takes initiatives to conduct research work and surveys for identifying entrepreneurial opportunities. It encourages innovative student projects for innovative product development. It organizes E-Weekend Programmes to stimulate the students to come up with new ideas that can grow up to startups. It arranges guest lectures by successful entrepreneurs and provides a platform for interaction between professional entrepreneurs and student entrepreneurs. It arranges visits to industries for prospective entrepreneurs.

### Scope:

The Scope of the EDC is to generate awareness in students by organizing entrepreneurship awareness programmes. Boot camps, industrial visits, and panel discussions. The main aim of the EDC is to develop entrepreneurship capability in students by organizing workshops on business communications (Email Writing, CV Making, applying for a job), Presentation skills (How to present), Idea Generation for

Startups, and Technological developments. The EDC in college invites eminent resource persons like personality development trainers to develop the attitude of the students with their motivational and expert talk.

### Activities

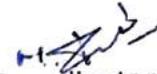

#### 1) Procedure for events

- Obtain nominations from student volunteers' selection
- Selection of student's volunteers and shortlist
- Circulate event registration forms to the students
- Arrangement of Venue, Transportation and Hospitality to organize an event
- Obtain feedback from participants.
- Submission of expenditure statement and activity report for event

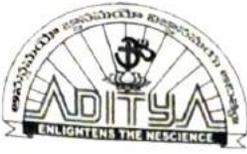

#### 2) Procedure for startups

- Send an invitation to students to submit ideas for startups
- Brain storming with Expert Committee
- Evaluate the best ideas
- Selection of best ideas
- Development of ideas into product or services
- Registering the company in startup India

**Frequency of Meetings:** Two meetings will be conducted in a year or as and when required.

## Workshop Report on A 6 Day Workshop on Generate Your Start-up Idea

A 6 day workshop has been held between 8<sup>th</sup> November to 13<sup>th</sup> November to the registered students. In this workshop students learn about how to generate start-up idea, how to evaluate the idea, and how to scale the start-up idea. This work shop held under the Student Activity Council (SAC) collaboration with Entrepreneurship Development Cell.

### Learning Outcomes:

- Design Thinking
- Concept of empathy
- Problem identification
- Idea Generation
- Solution Creation
- Idea Scaling
- Customer Identification
- Business Model Canvas Usage
- How to present Business Idea
- Prototype Making
- Minimum Viable Product
