## WEBSITE COMMITTEE STANDARD OPERATING PROCEDURE (SOP) AY 2022-23

1. The Aditya College of Engineering website showcases and communicates our vision and mission to the students, staff and the community.
2. The primary mission of the Aditya College of Engineering website is to provide access to up-to-date and well-organized information to students and the community about registration, classes, programs, events, services and information about the college.
3. The goals of the Aditya College of Engineering Website Committee are to:
  - Create and maintain a user-friendly website that is up-to-date, clearly organized and helpful to students and college staff
  - Addresses the need for the website and making it accessible to all users
4. In order to ensure that the Aditya College of Engineering website remains consistent, any proposals for changing core design elements, overall site organization or text on the Aditya College of Engineering website must be requested to the Co-ordinator via Department co-ordinators.
5. The decision to implement the proposed change will be discussed by the website committee and same is accepted/declined by the committee.
6. All web pages are stored on the web server. To ensure the security and integrity of the server, access will be granted to authorized Department co-ordinators only.
7. Department-wise Committee members will act as Department Co-ordinators for implementing any changes to the website.

8. Department co-ordinators will be responsible for uploading web pages related to the department to the web server and will be authorized to access only those directories for which they are responsible for maintaining.
9. Authorization for Department co-ordinators to access the web server must be requested through the supervising Administrator (co-ordinator).
10. Department co-ordinators should regularly review the web pages under their jurisdiction to ensure that they adhere to the Standard Operating Procedures.
