## Curriculum Feedback Analysis Report (Alumni)

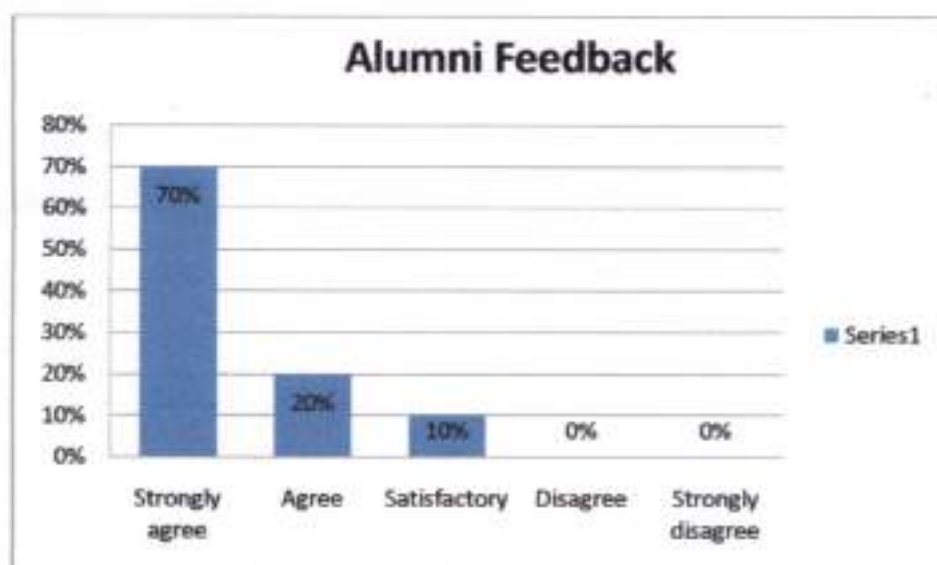

Department: CSE

AY:2022-2023

Regulation:R-19

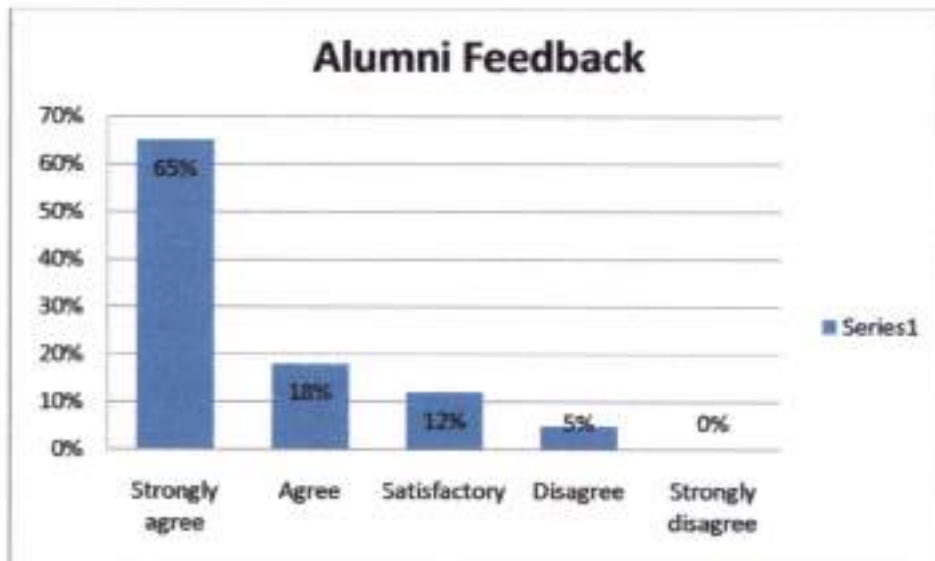

1. is the course curriculum well designed and covers from fundamentals to advanced topics?

As per the feedback taken from the stakeholders, 10% of the stakeholders are satisfactory the course curriculum. They have opinion that the curriculum is well designed and covers from fundamentals to advanced topics, 20% of the stakeholders have agreed, 70% of the stakeholders have strongly agreed.

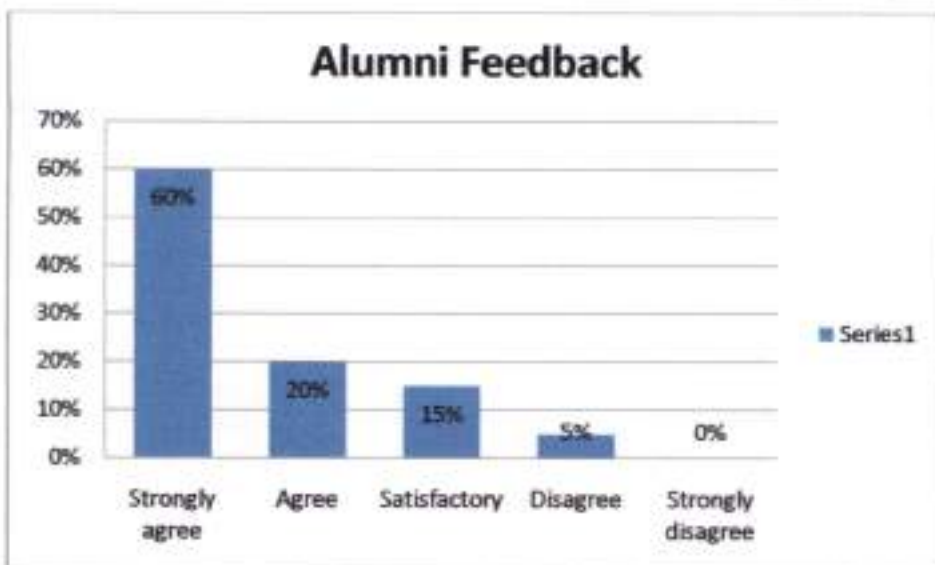

2. Does the curriculum have enough emphasis in the practical courses?

As per the feedback taken from the stakeholders, it is observed that 65% of the stakeholders have strongly agreed with the point and has stated that the curriculum has enough emphasis in the practical courses, 18% of the stakeholders have agreed, 12% of the stakeholders are satisfactory and 5% of the stakeholders are showing their disagreement.

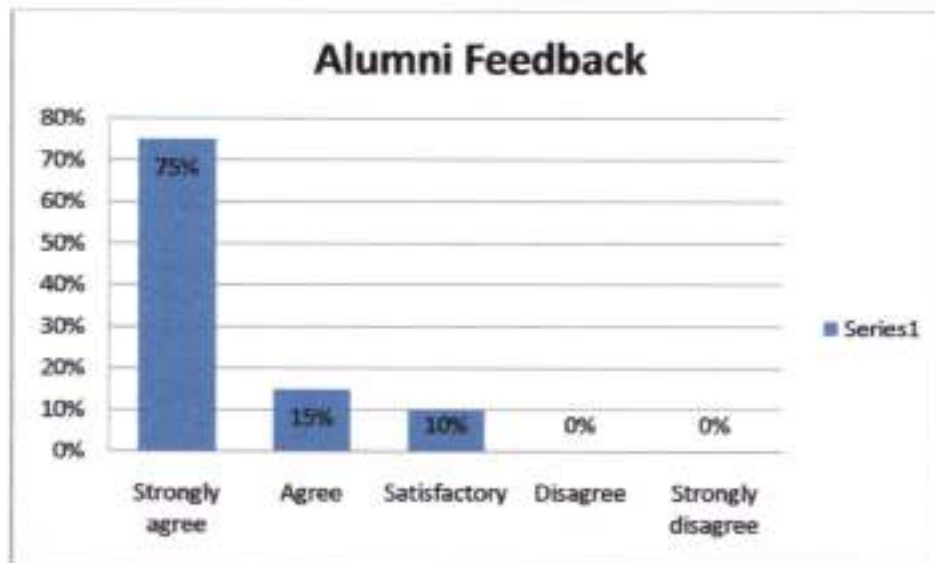

3. Do the courses of curriculum have relevance to the present scenario?

It is observed that 20% of the stakeholders have agreed that the curriculum has relevance to the present scenario, 60% of the stakeholders have strongly agreed, 15% of the stakeholders are satisfactory and 5% of the stakeholders have strongly disagreed.

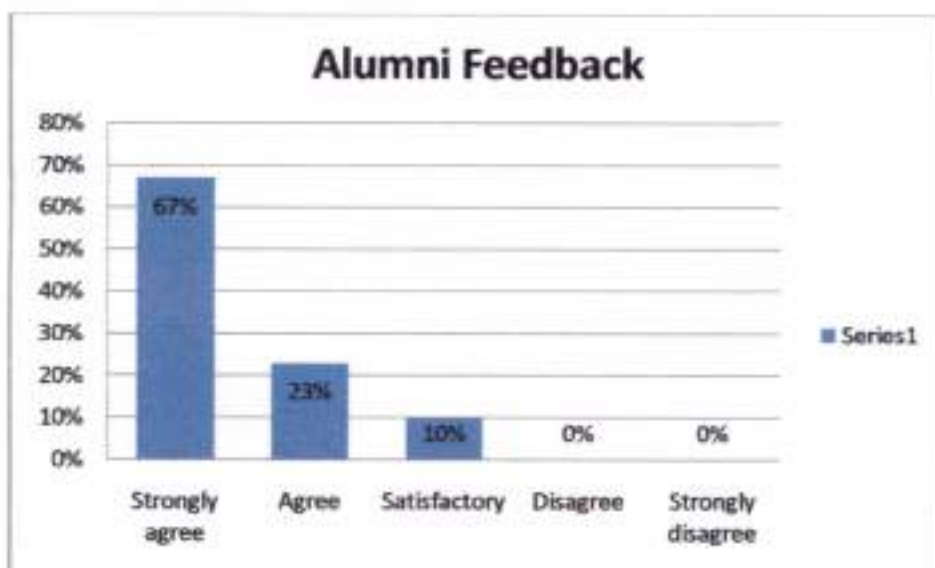

4. Does the curriculum sensitize the students for the issues related to gender equality, effective communication, professional ethics and social responsibilities?

It is observed that 75% of the stakeholders have strongly agreed that the curriculum sensitizes the alumni for the issues related to gender equality, 10% of the stakeholders are satisfactory and 15% of the stakeholders have agreed.

5. Does the curriculum give enough scope to opt elective courses /open elective courses?

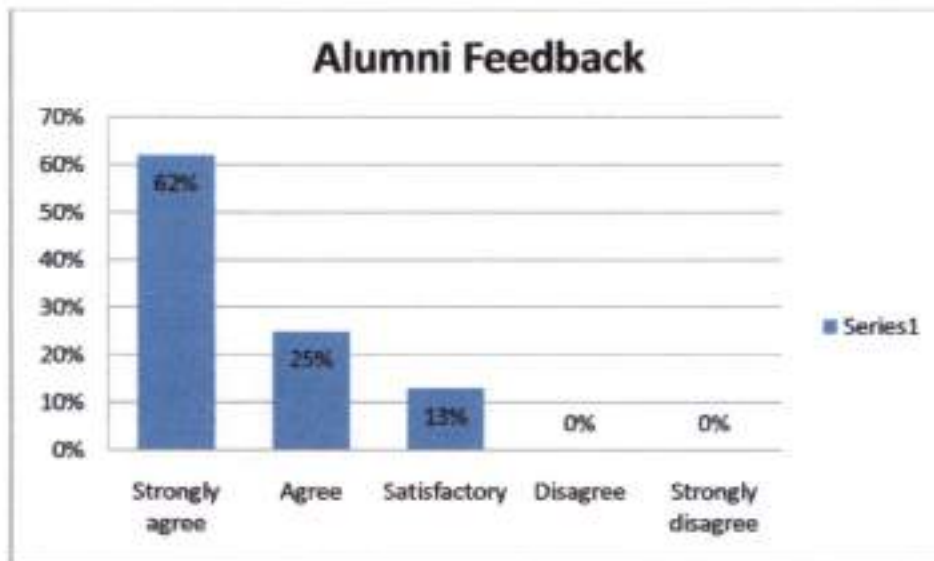

It is observed that 67% of the stakeholders have strongly agreed that curriculum give enough scope to opt elective courses /open elective courses, 23% of the stakeholders have agreed, 10% of the stakeholders are satisfactory with the stated questions.

6. Do the Courses studied applicable in practical way?

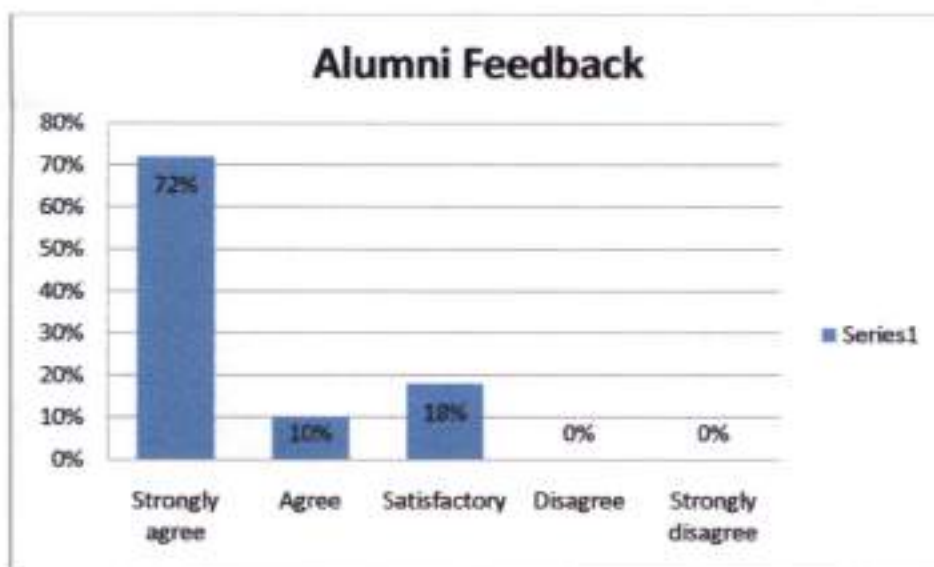

As per the feedback taken from the alumni, 25%of the stakeholders have agreed that the courses studied are applicable in practical way, 62% of the stakeholders have strongly agreed, 13%of the stakeholders are satisfactory.

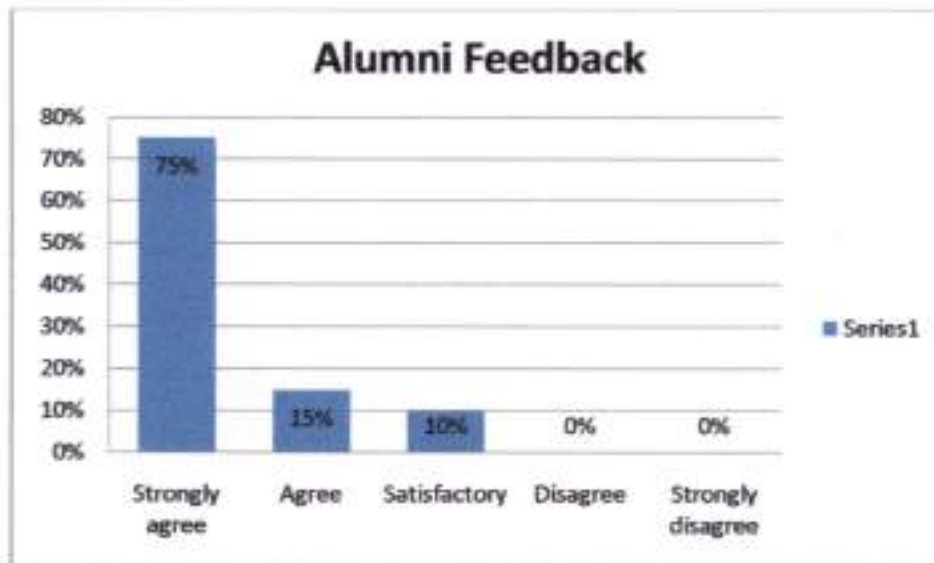

7. Is the curriculum appropriate to achieve the industry – academic connects?

It is observed that 72% of the stakeholders have strongly agreed with the given question, 10% of the stakeholders have agreed and 18% of the stakeholders are satisfactory with the stated question.

8. How do you rate the curriculum overall?

It is observed 75% of the stakeholders are strongly agreed with the given questions and the remaining 15% stakeholders have agreed with the stated question and 10% of stakeholders are satisfactory.

### Suggestions:

1. Introduce more advanced software courses like Python Programming, Java Programming.
2. Organize more industrial field visits in order to update the knowledge.
3. Introduce Training on aptitude and training.
4. Introduce the live projects Experience.
5. Introduce the core Programming courses like STAAD PRO ,REVIT, MATLAB etc.,

#### Suggestions:

1. Recommend internships along with credits are mandatory in the curriculum.
2. Introduce industrial application oriented courses in the curriculum.
3. Introduce more computer courses to get immediate employment.
4. Need depth in topics of core related subjects.
5. Organize workshop on the core software like Revit.
6. Introduce the modern tools core courses in the curriculum.
7. Introduce core update software in the curriculum.
