REPORT

Organized by	: NSS Unit-ACOE
Topic	: Azadi Ka Amrut Mahotsav
Venue	: ACOE mech seminar hall, Surampalem & JNTUK kakinada
Date & Time	: 13/08/2022 to 15/08/2022
Conducted for	: Independence day celebrations
No of Participants	: 116

Profile of the Speaker/Organizer

1. Mr. M Raghunath
NSS Program Officer
Aditya College of Engineering

Report

1. Report in brief by Organizer / Coordinator / Convener:

In commemoration of the momentous Azadi Ka Amruth Mahotsav, a series of spirited competitions including essay writing, patriotic song singing, and dancing were organized. These events, held on 12th & 13th August 2022, saw united individuals of all ages in expressing their love for the nation and its rich heritage. The essay writing contest encouraged reflection on India's journey to independence, while the patriotic song singing competition resonated with soul-stirring melodies. The dancing competition showcased the vibrant tapestry of Indian culture through various dance forms. These competitions fostered patriotism, celebrated cultural diversity, inspired participants to delve into India's history and culture, and engaged the youth, all in the spirit of India's 75th year of Independence.

3. Feedback from students:

1. As a student, I think Azadi Ka Amrit Mahotsav is a great initiative to celebrate 75 years of India's independence. It has been a lot of fun participating in the various events and activities that have been organized as part of the Mahotsav. -K. Raju, III B.Tech student, Aditya college of Engineering
2. have learned more about India's freedom struggle and the sacrifices that our freedom fighters made. -B. Rahul, IV B Tech student, Aditya college of Engineering

2. Mr. M Raghunath NSS Program Officer Aditya College of Engineering	

Report

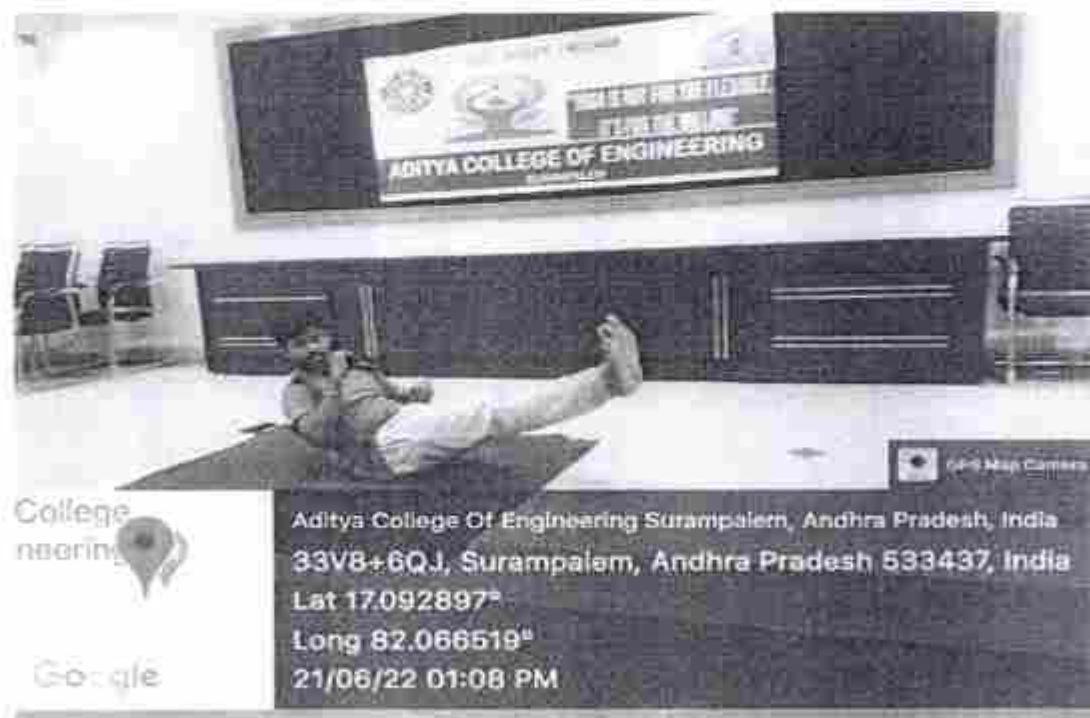

1. Report in brief by Organizer / Coordinator / Convener :

On the eve of International Yoga Day, a special yoga session was held at a seminar hall of ACOE, drawing participants from diverse backgrounds and skill levels. This program is guided by experienced instructor Mr P Sitharam, the participants engaged in a series of yoga postures and breathing exercises. During this event our principal Dr A Ramesh addressed the gathering, emphasizing that this occasion not only highlighted the physical and mental benefits of yoga, such as increased flexibility and reduced stress, but also raised awareness about the practice's significance in promoting overall well-being. This event is a great success inspiring participants to incorporate yoga into their daily routines for a healthier and more balanced life.

NSS Program Officer
Aditya College of Engineering

Report

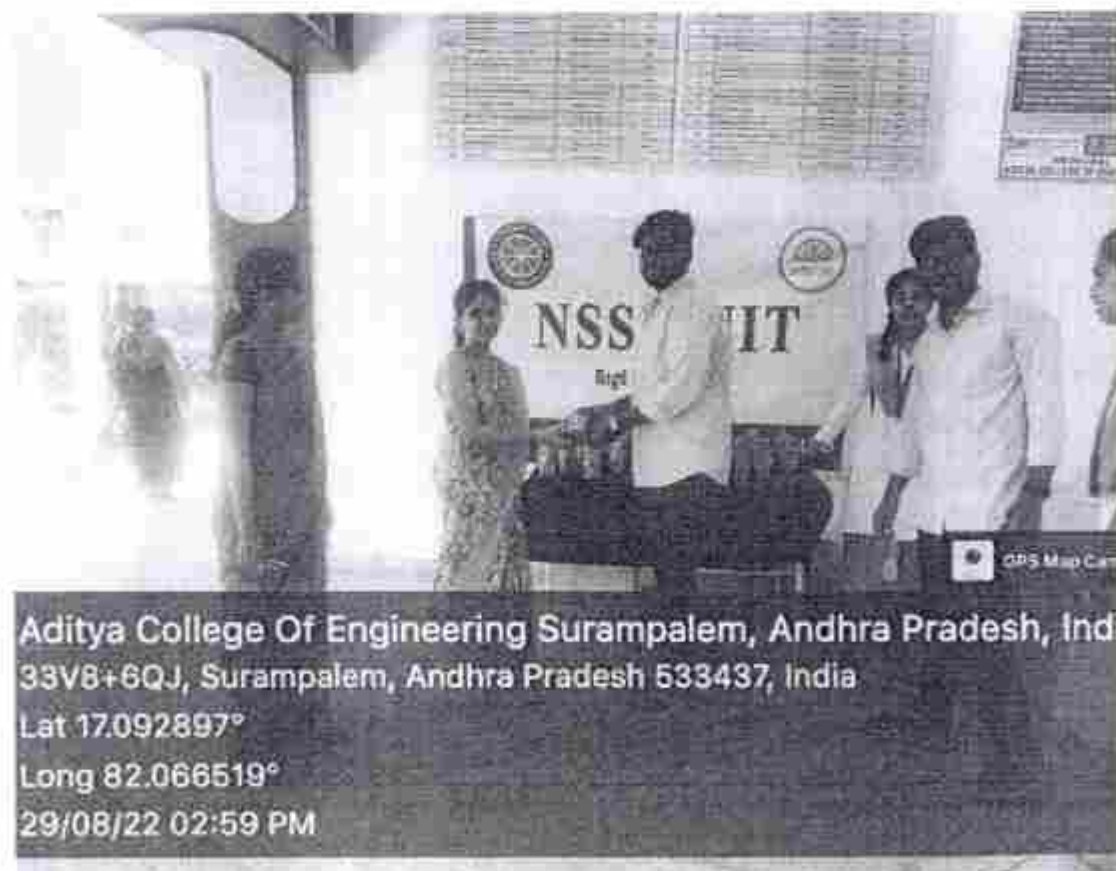

1. Report in brief by Organizer / Coordinator / Convener:

National Service Scheme (NSS UNIT) of Aditya College of Engineering organized an Awareness Program on Clay Ganesh on 29/08/2022 at surampalem village. Ganesh Chaturthi, a festival celebrated across India to honor Lord Ganesh, is becoming harmful to the environment these days because of usage of Ganesh idols, made of Plaster of Paris. These idols will later get immersed in water during this festival, which spoil the water. NSS unit ACOE comprehend the importance of using eco-friendly Ganesh idols. Our volunteers explained the importance of Clay Ganesh idols and also reminded them that our ancestors used clay Ganesh idols to celebrate this festival. As a Token of motivation our volunteers distributed 150 clay Ganesh idols to the villagers. About 4 staff members and 30 students have actively participated in the event

2.Photos:

Ganesha idols are distribution by NSS unit ACOE

Report

1. Report in brief by Organizer / Coordinator / Convenor:

NSS unit of Aditya college of Engineering conducted clean India campaign at yarrampalem village. With the support of our principal Dr A Ramesh and local village president sri kanaka ratnam we have planned this event at yarrampalem village. The rally brought together people of all ages, carrying messages of cleanliness and marching through the streets to raise awareness. After the rally, a collective cleaning effort took place in public areas, reinforcing the idea that cleanliness is a shared responsibility. The event increased community awareness, encouraged active participation, and fostered a sense of unity, contributing to the goals of the Clean India Campaign. A total 55 staff and students participated in this program

Report

I. Report in brief by Organizer / Coordinator / Convener:

NSS unit of Aditya college of engineering celebrated National Voters' Day on January 25th to mark the foundation day of the Election Commission of India. The primary objective of this day is to encourage and promote the participation of eligible citizens in the democratic process by ensuring that they are aware of the importance of voting and their rights as voters. Mr G sitharama rao, MRO, peddapuram attended this program and gave his presentation to the students. He spoke about the importance of having right to vote in democracy and motivated every student must analyze and use his/her vote for the right cause. A total 150 students and volunteers participated in this event.

Report

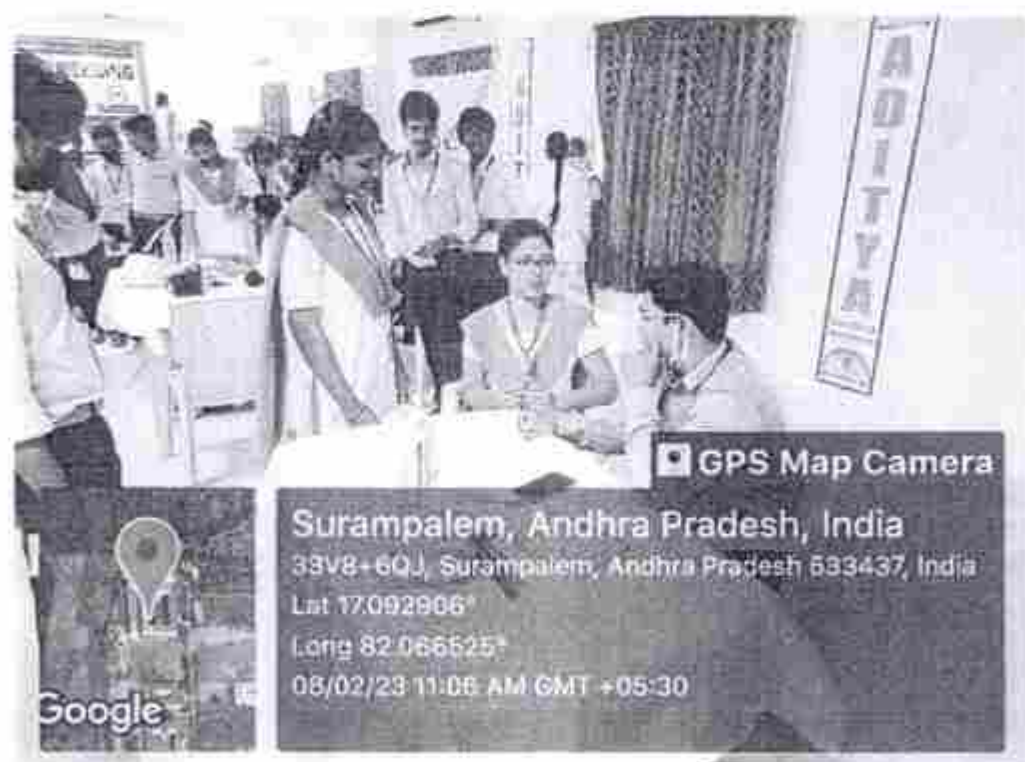

1. Report in brief by Organizer / Coordinator / Convener:

NSS UNIT of Aditya College of Engineering organized NSS organized a Free eye checkup camp in surampalem village. With the motivation and encouragement given by our principal Dr A Ramesh NSS unit of ACOE in collaboration with Sankuratri Foundation conducted a Free Eye checkup camp at Surampalem village. This event was supported by local village authorities and was conducted at community hall Surampalem near Panchayat office. Through this program we have served 85 needy villagers, students and faculty. Patients who are diagnosed with cataracts are requested to attend a special operation camp which was scheduled a week later.

The Eye Checkup Camp organized by the NSS was a commendable initiative to address eye health issues within the community. It provided accessible eye care services, identified eye problems, and raised awareness about the importance of maintaining good eye health. The camp's success was a result of the collaborative efforts of NSS volunteers, eye care professionals, and community support.

Report

1. Report in brief by Organizer / Coordinator / Convener:

NSS unit of Aditya college of engineering conducted a rally and awareness program at surampalem on Zero discrimination day. With the motivation and support from our principal Dr A Ramesh and Mrs M Ganga bhavani president, Surampalem village we Conducted a rally on Zero Discrimination Day is a powerful way to raise awareness and promote inclusivity. Participants from diverse backgrounds came together, marching in unity to send a strong message against discrimination in all its forms. The rally went on through out the village with inspiring slogans and color full banners. Apart from this our volunteers also interacted with the villagers to create awareness about discriminations. A total of 50 students and 2 faculty participated in this rally.

Report

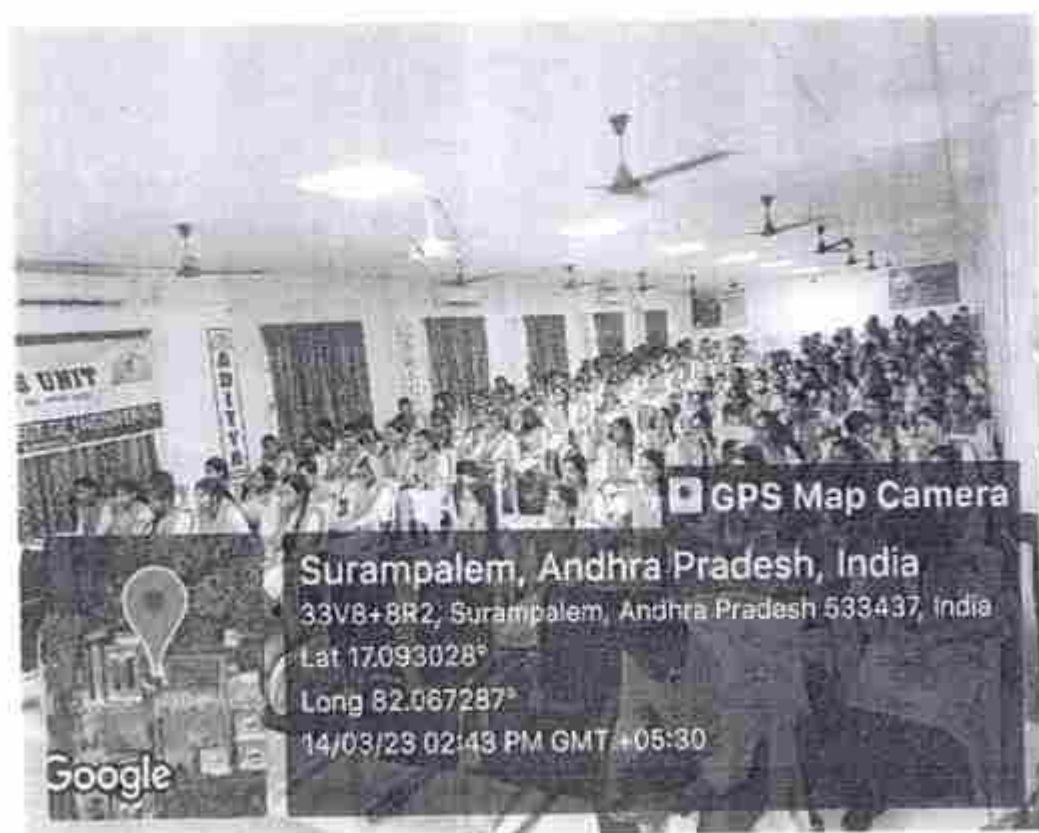

I. Report in brief by Organizer / Coordinator / Convener:

NSS unit of Aditya college of engineering organized women health awareness camp in collaboration with Appolo hospitals, Kakinada. This Women's Health Awareness Program, spearheaded by Dr. Sandya Pithani, Gynecologist, Apollo Hospital, Kakinada was a transformative initiative that addressed critical health issues faced by women in our community. This comprehensive program not only focused on essential aspects of women's health such as menstrual cycle problems, reproductive health, nutrition, and cancer awareness but also provided practical solutions and guidance for managing these issues. Apart from empowering the girl students to take control of their health she also personally interacted with the students and gave suggestions to them. As many as 180 girl students participated in this program along with 6 women staff members. Our principal and senior lady faculty felicitated Dr Pithani for her excellent service and commitment towards the society.

Report

I. Report in brief by Organizer / Coordinator / Convener:

NSS UNIT of Aditya College Of Engineering organized a BLOOD DONATION CAMP in collaboration With Indian Red Cross Society at surampalem village. The blood donation camp was inaugurated by Our principal Dr A Ramesh sir in the presence of vice chairman sir, Aditya Group of Educational Institutions and Principal ACOE. A total 145 units of blood was donated by both students and villagers .It is way of Aditya college of engineering, surampalem gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood .our college has been religiously organizing blood donation camps every year .students, faculty members and villagers came forward voluntarily to donate blood .medical staff educated the student about the donation of blood and its benefits .

2. Photos:

3. Feedback from students:

1. I'm glad that my college organized this event. It was a great way to raise awareness about the importance of blood donation and to encourage students to donate blood
—K. Sidhu, III B.Tech student, Aditya college of Engineering
2. The blood donation camp was well-organized and the staff was very friendly and helpful. I felt very comfortable donating blood—D. Ramana, IV B Tech student, Aditya college of Engineering

Report

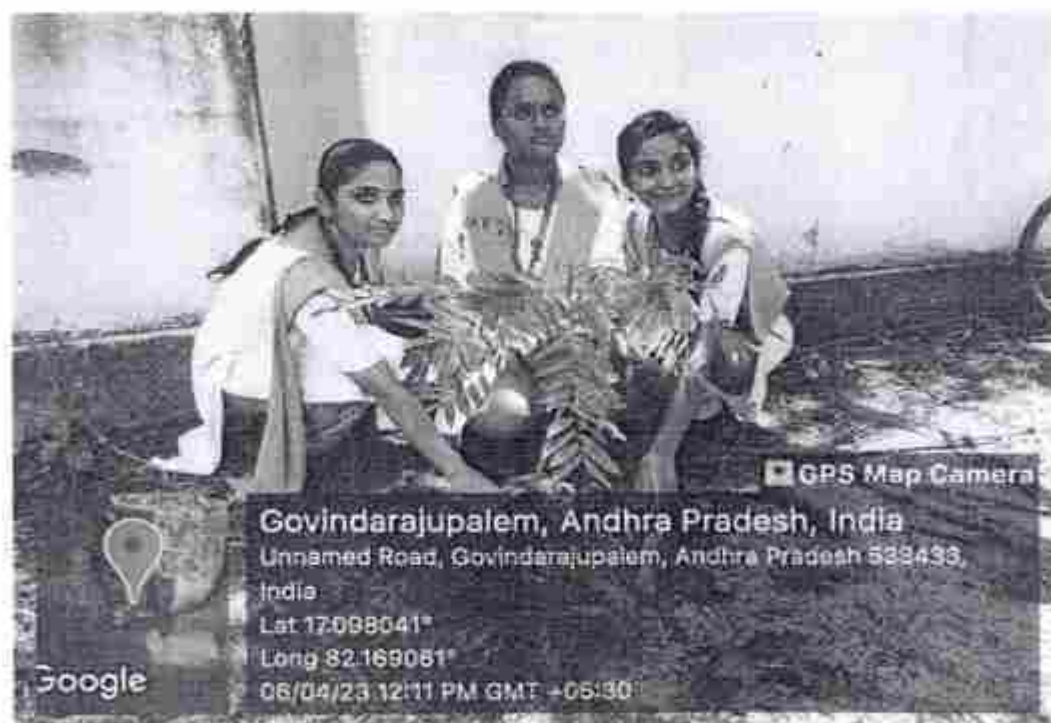

1. Report in brief by Organizer / Coordinator / Convener:

NSS unit, ACOE successfully completed the Plantation of saplings under the National Service Scheme at Govindarajupalem village. Trees are the foremost source for producing the oxygen in environment, they help to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today. The event began with the welcoming of guests Honorable Dr. A Ramesh, Principal, and Dr. PSVSS Ravi kumar Dean Aditya college of Engineering. The Principal advised the volunteers to think differently for the Society to make positive changes and to make improvement. After the inspirational words of guests and Principal we all move towards the place where tree plantation took place. Later we met the village president and he along with 50 number of NSS volunteers participated in plantation of saplings. Over all we have planted 45 saplings at various places as per the guidance of village people. This program has given a real positive energy to all the NSS volunteers because it really feels great to do something positive for the nature.

2. Photos:

3. Feedback from students:

1. Felt happy and I keep my self motivated to continue engaging in environmental activities –K. Vishnu , III B.Tech student. Aditya college of Engineering
2. Felt like we are more connected to the environment –K Lalitha. IV B Tech student. Aditya college of Engineering

4. Remarks from village community:

One of the villagers said that it's not about the number of trees we plant today; it's about the collective impact we can create when individuals come together for a common purpose. He thanked team NSS for conducting the plantation program in their village

SAC Co-ordinator
Aditya College of Engineering

2. Mr. M Raghunath
NSS Program Officer
Aditya College of Engineering

Report

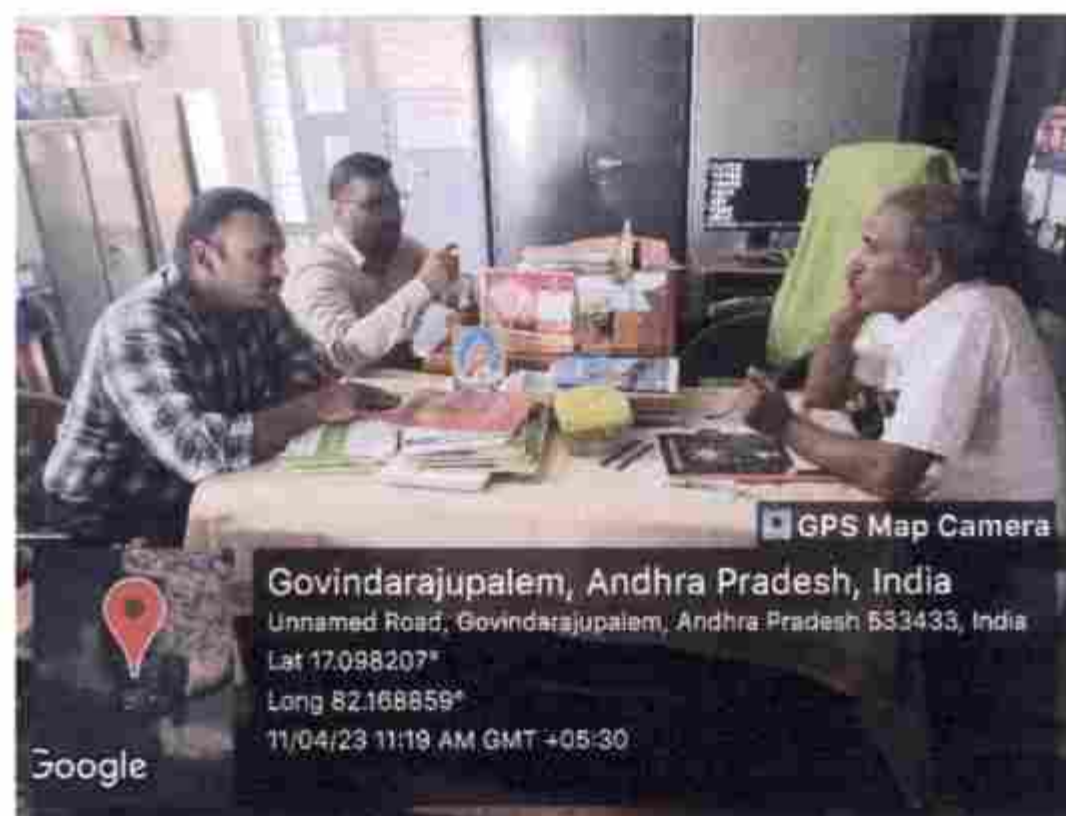

1. Report in brief by Organizer / Coordinator / Convener:

With the motivation and encouragement of our Principal Dr.A Ramesh we the NSS Unit (RgdNo:90214408) of Aditya college of Engineering conducted a Career Guidance Program at ZP High School, Vadlamuru village (Govindarajupalem) on 11th April 2023 for all the students to understand various fields. The program was basically for the students of class 6th to class 10th which are in their career deciding years. With the encourage of the school head master the program started at 10.15 am after all the students were seated at the respective rows allotted for each class. Firstly, we the coordinators introduced our NSS volunteers to the local students and then the students went on with their own presentations. Firstly, our volunteers introduced various courses of science, commerce and arts as the basics and then they explained the sea of opportunities in the outer world. They also encouraged children on choosing the field they are interested in rather than allowing somebody else to govern it. Students should choose the subject and area in which we're genuinely interested and only then we will be able to succeed and make a name for ourselves. Our volunteers also provided the details few Ngo's and trusts who are sponsoring the students for their higher education. Apart
