Event Name : Photo Presentation Competition

Date : 27-06-2022

Time : 2:00 p.m.

Venue : 3rd Floor Seminar Hall, Ramanujan Bhavan

The cultural committee of Aditya College of Engineering organizes Photo Presentation. The event was a grand success, a total of 50 participants attended from all the branches. The students actively participated in the competition with great enthusiasm. The presentation evoked a sense of nostalgia by showcasing candid snapshots of students forming lifelong friendships, collaborating on projects, and celebrating milestones together. By skilfully blending visual storytelling with emotional resonance, the event left a lasting impression on attendees and reinforced the college's values of academic excellence, cultural diversity, and community engagement. The audience's response to the photo presentation was overwhelmingly positive. They proved their talents through photography. The Winners and Runner up were encouraged with merit certificates and cash prizes.

Time : 2:00 PM to 4:00 PM
Venue : 3rd Floor Seminar Hall, Ramanujan Bhavan

The cultural committee of Aditya College of Engineering organized Hair styling competition on 22-07-2022. The event was a grand success, a total of 60 students participated from all the branches. Students showcased their hair styling talents and celebrated the art of hairstyling. Participants were required to create unique hairdo based on the themes, displaying their skills and creativity. Participants need to complete their hairstyle within a particular time limit of 1 hour. They had a chance to experiment with products and tools for doing the hairstyle. Students not only learned about the latest hairstyling trends but also gained practical experience by participating in the competition. The hairstyles were evaluated by the judges based on some criteria such as skill, theme, and style. The event encouraged teamwork, innovation, and attention to detail, crucial skills in the hairstyling profession. The winners were encouraged with merit certificates and cash prizes.

REPORT

Dt.14-08-2022

Event Name : Azadi ka Amruth Mahotsav

Date : 13-08-2022

Time : 2:00 p.m. onwards

Venue : Ground Floor Seminar hall- Ramanujan Bhavan

The Cultural Committee of Aditya College of Engineering organized Azadi ka Amruth Mahotsav (in connection with the 75th Indian Independence Day) on August 13th, 2022 in the college premises. The event was a grand success as it had brought lots of fun and frolic. Speeches, Songs and Dances filled the audience with a true spirit of patriotism. It had brought countless joy and an untold exuberance into the minds and hearts of all the participants. It was a jubilant experience and an ecstatic eye feast to the students and the faculty as well. Principal of our college, Dr A. Ramesh, participating actively in all the events along with his elite squad of HoDs and other dignitaries, addressed the gathering highlighting the selfless sacrifices rendered by our freedom fighters and admonished the students gathered not to misuse the freedom that we have inherited after a great bloodshed and price less sacrifices of our great martyrs and the warriors of our freedom struggle.

Report on Spot Photography

Dt: 20-08-2022

Event Name : Spot Photography

Date : 20-08-2022

Time : 10:30 AM

Venue : College Premises

The cultural committee of Aditya College of Engineering organized a Spot photography competition. The event was a grand success, a total of 60 students participated from all the branches. This was conducted on the occasion of National Photography Day. This program is to honour International Photography Day and highlight the importance of photography as a visual art form. The spot photography received enthusiastic participation from students who were passionate about photography. Participants were given a specific time frame to explore the designated areas and capture photographs based on the chosen themes. They were encouraged to experiment with different angles, lighting conditions, and compositions. This provided students with an opportunity to capture and share their interpretation of the world through photography. This encouraged students to explore their surroundings and express themselves through images. After evaluating the photographs, Winners, and runner-up were awarded merit certificates and cash prizes.

Report on Embroidery Art Presentation

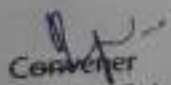

Dr:17-09-2022

Competition : Embroidery Art Presentation
Date : 17-09-2022
Time : 2:00 PM
Venue : Drawing Hall, Ramanujan Bhavan

The Embroidery Art Presentation was organized by the cultural committee of Aditya College of Engineering. A total of 40 students participated in this competition very enthusiastically and made it a grand success. The Embroidery Art Presentation garnered enthusiastic participation from students who were eager to learn about the intricate world of embroidery. The event began with an informative introduction to the art of embroidery, highlighting its historical significance, various techniques, and the role it plays in preserving cultural heritage. Participants had the opportunity to try their hand at embroidery stitches. The highlight of the event was the showcase of embroidery artworks created by students. Participants presented their embroidered pieces, explaining the inspiration behind their designs and the techniques they employed. This event was successful and judges appreciated all the participants for their interest and hard work. The Winners and Runner-up were encouraged with merit certificates and cash prizes.

Dt: 02-12-2022

Competition : Craft from Waste Competition
Date : 02-12-2022.
Time : 2:00 PM to 4:00 PM
Venue : Ground floor Seminar Hall, Ramarajan Bhavan

Best Out of waste craft design is organized by the cultural committee of Aditya College of Engineering. A total of 100 students participated in this competition very enthusiastically and made it a grand success. This event is held on the occasion of **National Pollution Control Day**. The event was designed to raise awareness about pollution control and environmental sustainability while promoting creativity and resourcefulness among students. Participants were encouraged to transform discarded materials into artistic and functional creations, highlighting the importance of recycling and reducing waste. Participants were given a specific time frame to design and create their craft projects using the collected waste materials. Participants and attendees gained a deeper understanding of pollution control and the importance of waste reduction and recycling. The judges evaluated the entries based on criteria such as creativity, effective use of waste materials, and relevance to the theme. Winners and runners-up were encouraged with merit certificates and cash prizes.

Time : 02:00 PM

Venue : Ground floor Seminar Hall, Ramanujan Bhavan

The mono-Acting competition is organized by the cultural committee of Aditya College of Engineering. The event was a grand success, a total of 50 students participated in groups and solo from all the branches. This competition was held on the occasion of Republic Day. Students expressed their creativity and acting talents through monologues that reflected various aspects of the nation's history, culture, and values. This encouraged students to delve into the rich history and values of the nation and its heritage. This inspired the audience by the history, culture, values, and achievements of the nation. The students were expected to evoke emotions, resonate with the audience, and convey powerful messages. Winners were evaluated based on some criteria such as acting skills, including emotive expression, vocal modulation, and stage presence. This promoted a sense of patriotism and cultural awareness among the college community. Winners and runner up were encouraged with merit certificates and cash prizes.
