Aditya Nagar, ADB Road, Surampalem - 533 437, E.G.Dist., Ph: 99631 76662.

## Annual Alumni Report for the A.Y:2019-2020

Throughout this academic year, ACE, Surampalem, has organized a number of collaborative workshops for the present students and college alumni. The academic presentations in the corresponding department were well-organized in large part thanks to alumni.

ACE, Surampalem, organized Alumni Meet on 11<sup>th</sup> January 2020. The date of this Meet was declared in the month of December itself and the news spread far and wide. Many of the alumni played active role in contacting their batch mates and others. The Meet was attended by 197 alumni of various batches that graduated in year 2012 (First Graduating Batch) to 2019. It was a great pleasure to know about their accomplishments in professional lives. Most of them were visiting their Alma Mater for the first time since their graduation, and naturally were thrilled to be back in the campus again. About twenty nine alumni attended the Meet with their spouses and children and were very excited to know that their stay arrangement was made in the Hostels where they once lived. They very proudly took their families around the campus and showed the places where they lived and spent time. Addressing the Inaugural function Principal, Dr.A.Ramesh, welcomed the Chief Guest, Alumni and their family members. He said that Alumni are the brand ambassadors of the Institution and a very vibrant relationship must be established and nurtured. In the post lunch session, the alumni visited their respective departments.

The HODs of each department took them around the various laboratories and other departmental facilities and presented the recent progress and activities. After the presentation, discussion on the future developments ensued and alumni came up with many suggestions regarding the syllabus of courses, laboratory development etc. They also offered their services in the growth of Department. The meeting of the Alumni Association was held on the morning of second day (12<sup>th</sup> Jan) at about 10.00 A.M. in the seminar hall. In this meeting, principal, Alumni committee, and HODs also participated. It was also decided to create an Alumni Fund to provide scholarships to the needy students. The Principal apprised the Alumni about the recent progress of ACE and sought their assistance in providing better training/education to students. Many of the Alumni expressed their willingness to help ACE in training, placement, development of modern laboratories, and delivery of expert lectures in emerging areas of technology.

A feedback was also collected from alumni regarding the organizational aspects of the Meet and their suggestions for improvement in professional training at ACE. The Alumni Meet closed at a very emotional note. However, everyone appreciated the efforts by the ACE in organizing the Meet. Everyone departed with the resolve to visit again and spread the message amongst all who could not visit this time.
