Institutional Distinctiveness

Aditya College of Engineering has made its flag flying high with its record placements in the last five years. At Aditya, we believe employability is more than a skill; it is an attitude, it is a practice. So, we instil this attitude through continuous training in learning skills, behavioural skills and life skills in addition to aptitude and communication skills. And this training starts in the first year of engineering itself.

Platform for Placements

Specific Campus Recruitment Training programs are conducted in the third year, with an emphasis on problem solving, critical thinking, communication skills and team work. It stands as the leading edge empowering its student to be an employee during the completion of the course.

The sculpting of the students starts from the first year of their course with a well-designed training through various off line and online programmers to keep the learners on track catering to the needs for employment in training process besides academics. Much emphasis is laid on the skills development that really nurtures the students to improve Technical, Logical, Analytical and Verbal skills. Above all it grooms the personality of an individual to be confident and proficient to bag the opportunity.

Industry institute collaboration cell is established with 10 training platforms to the learners to mould the students to be effective employees. Well trained and experience faculty prune the learners in in required aptitude and soft skills. The process of vigorous training such as mock interviews helps the learner to experience and understand the prerequisites for the interview and employment. A proud number of 290 leading software and core companies visited the campus and a number of 1714 students were placed in different companies.
